Elected Officials' Reports

John Ly Representative for City Councilmember Carl DeMaio

- Carl DeMaio opposes and will fight Water Department's proposal to increase water rates.
- Mira Mesa Blvd will be resurfaced as soon as walk ramps are ADA compliant
- Town Hall meeting Oct 9 info on website
- City Council is discussing medical marijuana clinic concerns and regulations

Nadia Moshirian Assistant to the Chairperson for County Board

Supervisor Pam Slater Price

- Nadia introduced herself
- County Health and Human Services launched campaign to reduce stigma of mental health illness – funded by prop 63
- County government more transparent – opportunity for citizens to address County Board of Supervisors' agenda by e-comment and not have to attend meeting

Community Organizations

- Pat O'Donohoe talked about Vulcan being a good corporate citizen and that there would be an open house on Saturday Oct 23 starting at 9 am. It is open to the public. This event is to get young people familiar with their business in the community. The focus will be on geology. The event will afford Scouts the opportunity to qualify for geology merit badges.
- Jim Brown of the Community Pride Committee
 - Reviewed lawn watering regulations
 - Mira Mesa appearance not good

- Talked about neighborhood code compliance
- Mentioned that the removal of political and other advertising signs from the public right-of-way had attracted negative attention. He has been asked to stop removing the signs.

Candidates' Forum

- Francine Busby Candidate for the 50th Congressional District gave a presentation and answered questions. She was very informative.
- Paul Garver, MD, Democratic Candidate for 75th Assembly District and Nathan Fletcher, Assemblyman, Republican Candidate for 75th Assembly District addressed and answered questions. They both were very informative.
