MMTC Meeting

August 1, 7pm

The Epicentre Returns! See the story on Page 3 for details.

President's Message: Now Is The Time - Sign Up and Step Up

In my recent President's Message, I listed all of the ways that you could become involved to make Mira Mesa the community we all want it to be.

HERE IT IS!
A STARTING LIST OF WAYS YOU CAN SIGN UP AND STEP UP!

Mira Mesa 4th of July Committee - Wednesday, August 10, 7pm, on Zoom
Sign up at this link to be a part of "reinventing" our 2023 event. Will there be a parade? Where will Fun Day be held? This committee will make those decisions and plan the event.
https://us06web.zoom.us/meeting/register/tZwrfumprD4rGt3z8xLjHts5uasG7SNALWhN

Mira Mesa Streets & Infrastructure Committee - Wednesday, August 17, 7 pm, on Zoom
We all know that the streets and infrastructure in Mira Mesa need work. But who documents all of those Get It Done reports and follows up with the City? That is the purpose of the Streets & Infrastructure Committee. Sign up at this link to make sure our needs don't fall through the cracks! https://us06web.zoom.us/meeting/register/tZUrdO2grDMpGNAONldToBQ1wgnxTJPZsyZa

Neighborhood Watch Committee - Tuesday, August 23, 7 pm - on Zoom

Crime is rising and our police are understaffed and stretched thin. We must do what we can to protect ourselves as well as work together with SDPD. We're all familiar with the concept of Neighborhood Watch - your street has a block captain, and they distribute information from SDPD. But for a community as large as Mira Mesa, we need an integrated network of block captains and area coordinators to share information throughout the entire community. If you have an interest in making Mira Mesa safer, and want to be a block captain or area coordinator , sign up at this link to take the first step: https://us06web.zoom.us/meeting/register/tZYscuqupzgtE9zl-KE8TJ2aVp6_1EuPEsNm

These are just the first three of many upcoming opportunities to be a part of revitalizing Mira Mesa. Join us!

The Mira Mesa Town Council is a 501(c)(4) non-profit organized to foster the public welfare of the community. Meetings are held on the first Monday of every month at 7pm. See page 12 for newsletter advertising rates and contact info.

Change Is Upon Us. New County Budget Helps Mira Mesa Prepare

By Supervisor Terra Lawson-Remer - July 2022

If you told me three years ago I would spend weeks on end isolated at home, gas would cost $6 a gallon, I'd be watching a war in Europe, and reproductive freedom would be illegal or close to it in a majority of the nation, I wouldn't have believed you.

But the reality is that our world has changed — and this change is being thrust upon us from all directions. With the right planning and investments we can weather that change — and create a stronger, more resilient San Diego County.

This was my goal when I voted last month to approve the County of San Diego's new $7.35 billion dollar budget. It's a resiliency budget — an investment plan to make sure that San Diego is ready not only to respond to the change we're experiencing but to enact the change we need. It furthers the work we've done, and continue to do, to make County government more equitable, sustainable, responsive, and representative of our communities.

As we feel the heat from rising temperatures, this budget invests $100 million to fight climate change, expand County parks and community gardens, acquire land for the preservation of natural habitats, plant trees, reduce greenhouse gas emissions, and set up "cool zones" around our region for you to enjoy air conditioning for free.

As we grow more concerned about sewage in our oceans, this budget invests $40 million in improving our stormwater infrastructure to keep pollution from our cities from flowing onto our beaches.

As we see people struggling on the street, perhaps talking to themselves, this budget pays for new Mobile Crisis Response Teams staffed with trained psychiatric clinicians to respond quickly — allowing our sheriffs and police officers to focus on fighting crime.

As we are squeezed by inflation and need a little extra help to make ends meet, this budget will fund new resources to help residents access food and healthcare through programs like CalFresh and Medi-Cal.

As we witness wildfires more frequently threaten our homes, this budget bolsters our firefighting fleet with a new dual-engine helicopter with the ability to fly at night and carry more water and emergency responders. But we're not waiting for danger to arrive at our doorsteps — we're also investing $2 million to reduce the risk of wildfire through vegetation management, improved evacuation routes, and fire breaks.

And as we venture out more to reconnect with our neighbors, you will begin to experience the millions of dollars in funding set aside in this budget to support vital community priorities like the $4.35 million for planning, community outreach, and building the Epicentre community center!

We are a resilient region — and this budget reflects that spirit. We can't always control what comes our way. But we will continue to work hard locally to be prepared for winds of change, no matter where they come from, so we can chart a better future for us all.

In service,
Supvisor Terra Lawson-Remer

The Epicentre Returns!

The recent approval of the County of San Diego's 2022-2023 budget brings good news for Mira Mesa: the reopening of the Epicentre building as the new "Mira Mesa Epicentre Youth and Community Center," managed by the County of San Diego.

Under the leadership of County Supervisor Terra Lawson-Remer, the County of San Diego has committed $8 million dollars to renovate the existing building including bringing it up to code and making required ADA modifications.

Once complete, the new Epicentre will allow the County's Health and Human Services Agency to have a permanent location for teen and student programming, located directly across the street from Mira Mesa High School. The County has already reached out to MMHS to involve them in the process of developing the new Epicentre and will be hosting community outreach meetings beginning later this year.

The projected date for the opening of the new Mira Mesa Epicentre Youth and Community Center is summer of 2024, but that may change depending upon construction schedules and other factors.

Update from Mayor Todd Gloria

City of San Diego New Chief Operating Officer, Eric Dargan has Been Announced

Following a national search that fielded nearly 200 candidates, Mayor Todd Gloria announced today that he has selected Eric K. Dargan to serve as the City's new, permanent Chief Operating Officer. Dargan currently serves as the Chief Operating Officer of the Houston Public Works Department and will take the reins of City operations to carry out Mayor Gloria's ambitious plans to invest in infrastructure, increase San Diego's housing supply and improve services for residents across San Diego.

Homelessness

- The Safe Parking Program with Jewish Family Service was approved unanimously by Council to expand hours at Mission Valley site to 24 hours (Kearney Mesa sites open 6pm – 7am every day). $1.43 million to expand program through June 30, 2023; $440,000 to extend hours.

- The City of San Diego is looking at additional facilities to expand the Safe Parking Program.

- The Mayor opened the Palm Avenue non-congregate shelter which will temporarily provide a place to live for unsheltered San Diegans who have access to a housing voucher or a pathway to permanent supportive housing. This includes 22 available rooms, a shared kitchen and communal spaces, laundry facilities, case management and meeting rooms.

- The Mayor also opened a Women's Shelter known as Rachel's Promise and is operated by the Catholic Charities Diocese of San Diego. The 40-bed shelter is part of Mayor Gloria's continued efforts to ensure there are suitable shelters for the various unsheltered populations to come in off the streets and connect them with supportive services and a path to housing. Over the past year, more than 700 people have been placed directly from our shelters into permanent or longer-term homes. Prior to Rachel's Promise, our administration had already increased the number of shelter beds available by 25% since last April. Each week, they're over 92% filled. That's well over 1,200 people who aren't spending the night unsafe on sidewalks.

(continued on Page 4)

Update from Mayor Todd Gloria (continued)

- The Mayor and Homeless Strategies and Solutions Department has launched their website containing resources, metrics and information about the City's efforts to support its homeless population.
https://www.sandiego.gov/homelessness-strategies-and-solutions

Infrastructure

- The Mayor's 2023 Ready to Rebuild Budget includes a total of $77 million in the coming fiscal year, with another $12.8 million to fix sidewalks in 600 locations around the city, improve traffic flows at intersections, and remove graffiti and weeds.

Public Safety

- Public safety was *fully funded in the 2023 Ready to Rebuild Budget as the City has reached labor agreements w/ all 6 represented public safety employee groups* Additionally the City has allocated $100,000 for San Diego Police Department to enhance recruitment efforts

- The Privacy Ordinance passed for a first reading at City Council on July 18 and will come back for a second reading in the next few weeks. Mayor Todd Gloria is one step closer to completing another important initiative to improve City services and public safety with the City Council's approval of the Privacy Ordinance, a set of regulations aimed at providing transparency and public input about all of the technology the City uses to measure and monitor activity in the public domain.

With the Privacy Ordinance in place, critical law enforcement tools such as streetlight cameras will again be in use – with guidance on how data collected may be used.

Privacy Ordinance mandates that:

City departments consult with the newly established Privacy Advisory Board on their plans to acquire or use surveillance or monitoring technology; establish that the benefits of the technology outweigh their costs;

conduct public hearings in each of the affected City Council districts on the use of the technology as well as policies around the access to and use of data collected;

obtain City Council approval for acquisition of surveillance technology;

and report annually to the Privacy Advisory Board to ensure the use of approved technologies and data met the conditions prescribed during approval.

Monitoring technology includes cameras that help detect wildfires early, track usage of public trails by both people and wildlife, and cameras that support law enforcement's efforts to prevent, respond to and solve crimes.

Job Opportunities

The Mayor has launched "Employ + Empower" to provide 1,000 youth with paid positions at the City. Learn more here.

- I assisted in developing this program and getting it across the finish line at Council, so if anybody has any questions or war me to come speak to an org or group of students, please send them my way!
