Community News from City Councilmember Kent Lee

May was a productive month for the community! First, our office and the Independent Budget Analyst (IBA) hosted two successful City Budget Town Halls on May 4th and May 8th for constituents to discuss Mayor Todd Gloria's Fiscal Year 2024 Proposed City of San Diego Budget. In an effort to solicit the needs and priorities of Mira Mesa, the IBA and I had engaging conversations with constituents and took inventory of prominent issues like roads, homelessness, and more. With the community's input, Mayor Todd Gloria has now released his revised budget, and I am looking forward to submitting my office's proposed changes before it is to be finalized in June. To continue to learn more about the budget process, please visit sandiego.gov/finance/ proposed, and to view our office's budget priorities, please visit our website at sandiego.gov/cd6. Another important update from last month was the release of the first draft of Blueprint SD, the name for the upcoming proposed General Plan Amendment which will encourage sustainable growth in areas that will help the City of San Diego achieve its climate goals and improve opportunities to walk, roll, bike and take transit. The first draft invites the public to review and provide input early on; To learn more, please visit sandiego.gov/blueprint-sd to submit feedback and attend an upcoming virtual presentation on Thursday, June 15 at 1 p.m. or Wednesday, June 21 at 6 p.m.

In other exciting news, the authorization to award the construction contract for Phase 2 Improvements to the Mira Mesa Community Park is coming to the full City Council soon, and we encourage folks to attend Council and comment once it does. We also encourage getting involved with the Mira Mesa Community Recreation Group to stay abreast of projects like these. On to further festivities! On May 13th, we were able to celebrate Family Day with Mira Mesa High School. We awarded outstanding student leaders, teachers, and parent volunteers from the Spanish Club recognizing their tremendous coordination of Family Day and highlighting the cultural brilliance and joy in Mira Mesa.

On June 5th, I will be presenting the Verne Goodwin Scholarship to graduating high school seniors at the Mira Mesa Town Council and look forward to meeting friends and families of our awardees. This June, I will also be at Mira Mesa Park for the Lao Food Festival on June 17th and invite the community to join. We would also like congratulate the new elected Mira Mesa Community Planning Group officers! This year the Mira Mesa Planning Group received the 2023 Comprehensive Plan: Jurisdiction Excellence Award. The Mira Mesa Planning Group is a great space to express your vision and contributions to positive changemaking in our neighborhoods. I am so proud to be in-service of our vibrant community together!

Lastly, I would like to introduce our new Mira Mesa Council Representative, Jermaine Rocacorba (she/they). Rocacorba is a San Diego State alumna with a history of community empowerment work. She recently received her Master's in Education from Seattle University and served as an educator at University of Washington, Seattle. In her return home, she hopes to continue to connect with our constituents and serve with compassion.

Mira Mesa Memorial Day Ceremony

The annual Mira Mesa Memorial Day Celebration took place on Monday, May 29, at the Veterans Memorial Wall in front of the Mira Mesa Senior Center.

The ceremony began at 10:30 am with Coffee & Fellowship at the Mira Mesa Senior Center. There was an excellent turn-out despite the drizzly weather. Tommy Hough served as emcee for the ceremony, and Ann Quinn shared personal memories. The Mira Mesa High School ROTC performed the flag ceremony and the MMHS choir students sang the National Anthem and "God Bless America" (with audience participation as desired). Two student trumpeters played "Taps" while everyone else stood in silenced, which made for a moving ceremony. At noon, Joe Frichtel did the honors of raising the big flag to full mast, a Memorial Day tradition which symbolizes that life goes on, and after honoring the service of those who died in war, living veterans were recognized.

News from Senator Brian Jones

SACRAMENTO – Today, legislation by Senate Minority Leader Brian W. Jones (R-San Diego) to help fix California's teacher shortage was approved by the State Senate with strong bipartisan support. Senate Bill 811 will make it easier for teachers to move throughout the country and bring more teachers to the state by authorizing California to be a founding member of the Interstate Teacher Mobility Compact (ITMC). This measure is especially critical for teachers in military families who are frequently called to relocate on short notice. Click here for a fact sheet on SB 811.

"California is facing a serious teacher shortage," said Leader Jones. "We need swift and unwavering action to accelerate the teacher credentialing process, while maintaining the integrity of this workforce responsible for shaping our next generation. SB 811 is a critical tool for teachers moving to our state, particularly in military families, and benefits both the teaching profession and California's students."

The ITMC allows teachers to use an eligible license held in a compact member state to be granted an equivalent license in any other compact member state, lowering barriers to teacher mobility and bringing more teachers to California. This measure is especially critical for teachers in military families who are frequently called to relocate on short notice.

SB 811 is supported by the U.S. Department of Defense, Los Angeles County Office of Education, Military Officers Association of America, National Association of State Directors of Teacher Education and Certification, San Diego Military Advisory Council, along with several others. The measure passed off the Senate Floor with overwhelming bipartisan support and now goes to the Assembly for consideration.

From the Mayor's Desk: Tenant Protections and Claim Your Money!

I have signed the Tenant Protection Ordinance into law. This new law will provide stronger protections and support for renters who face eviction through no fault of their own, and it will help more San Diegans stay housed amid our severe housing shortage, which is pushing many into homelessness.

I want to thank Council President Sean Elo-Rivera for his leadership on this issue and all the community members, rental housing industry representatives and others who helped craft this new law that will work to make San Diego better for all of us.

Claim Your Money: The City of San Diego is urging anyone who did business with the City to check and see if you might be owed a refund or payment. According to the City's Unclaimed Monies Report, there is $833,165 in unclaimed monies that can be returned to more than 900 people and businesses. Check amounts range from $1 to $80,600. Updated quarterly and free of charge, anyone can review the Unclaimed Monies Report at any time or file a claim.

Unclaimed monies are checks owed to people or businesses due to refunds or vendor payments. The City regularly issues checks based on the addresses it has on file and, on occasion, receives returned checks that are undeliverable by the U.S. Postal Service. Checks that are returned to the City and remain uncashed after six months become unclaimed monies.

Payees have approximately one year after check issuance to claim their money. For checks issued before April 1, 2022, the last day to submit a claim is Monday, June 19, 2023. Unclaimed funds will be transferred to the City of San Diego General Fund on July 1, 2023. To search for unclaimed money or to file a claim, visit sandiego.gov/finance/unclaimed.

To submit a claim, print and complete the Unclaimed Monies Form and mail it to:

City of San Diego, Department of Finance
Unclaimed Monies Claim Processing
202 C St. – Mail Station 7A
San Diego, CA 92101

Once the claim is verified, a check will be issued in three to four weeks. Questions about unclaimed monies may be submitted to DoF@sandiego.gov or 619-236-6310.

Mira Mesa to Celebrate Independence Day with Fireworks

Mira Mesa to Celebrate Independence Day with Fireworks Sunday, July 2, at 9pm

By Pam Stevens

There WILL be fireworks in Mira Mesa on the 4 th of July weekend this year! The fireworks display will be set off on Sunday, July 2, 2023, at 9pm, from the new joint use fields now under construction at Wangenheim Middle School. The public will be able to gather at Hourglass Field Community Park, just across Black Mountain Road, as a prime viewing location. "We are bringing back fireworks for the 4th of July Weekend in 2023!" Michael Spencer, president of Scripps Mesa Fireworks, the volunteer nonprofit group who raise funds and put on the fireworks show, announced at the April 17 Mira Mesa Community Planning Group meeting and May 1 Mira Mesa Town Council meeting. This will be the first fireworks display in Mira Mesa since the pandemic. "Now, this year will be a little different than celebrations in the past. The show will be at 9pm on July 2, 2023, the Sunday before Independence Day, and it will be at Wangenheim Middle School instead of Mira Mesa High School," Spencer said. The Mira Mesa Town Council plans to host a Mira Mesa Community Picnic at Hourglass Field Community Park on Sunday, July 2, from 4pm to 9:30pm, prior to the fireworks and immediately afterwards. Hourglass Field Community Park is a San Diego City / Community College District joint use facility, located on the southwest corner of Miramar College at Black Mountain Road and Gold Coast Drive. The park is the prime viewing location for the 2023 fireworks.

Plans for the Mira Mesa Community Picnic are currently underway. It won't be a large scale "Fun Day" this year, but a gathering place for families and friends to enjoy being together before the fireworks start. Families are encouraged to bring their own food (prepared at home, no grilling in the park) and non-alcoholic beverages. The MMTC also hopes to arrange for a couple of food trucks on site. For more information, contact MMTC president Bari Vaz, president@miramesatowncouncil.org According to Michael Spencer, Scripps Mesa Fireworks currently has most of the funds needed for this year's display, but still needs to raise about $3,500 to pay for the show.

June Month Awareness- Music & Brain

By Kaanchan S Farkiya

There are several awareness topics in the months celebrated in June — and one of them is Alzheimer's & Brain Awareness Month. I would like to about brain function in very different forms. Here I would like to share information on how the brain works better with music. The power of music, changing brain chemistry. Music, it turns out, is medicine for the mind.

The soundtracks of our lives resonate even more deeply because of the feelings that attach to certain music. Perhaps you associate any famous song with your first love or enjoyed a special moment of your life with it. Maybe your loved one danced with you in your childhood. Those songs and music aren't just fleeting memories. Rather they're tied to strong, emotional moments and experiences.

Music and songs are not only just stored in one area of the brain. but they're ingrained in the more fundamental mechanisms of brain processing. In other words, the music that we love actually becomes a part of who we are. I would like to listen to some positive influential songs that bring me joy. Music is associated with your emotions, feelings, and interpersonal associations. That's why Music serves as a clue and gives persistent encouragement to the brain to fill in the blanks.
