Meet SDPD at "Crime and Safety" Event on Monday, July 1

By Bari Vaz

Recent events, including a mid-morning stabbing at a Bank of America ATM, have caused great concern for Mira Mesa residents. Join us on Monday, July 1, for a conversation with SDPD Northeastern Division. Representatives from Councilmember Kent Lee's office will also be in attendance.

Bring your questions and concerns regarding safety and crime in Mira Mesa, and have them addressed by SDPD. Sign up to be a part of the Mira Mesa Neighborhood Watch.

This special meeting will be held on the Miramar College campus, in Building "I" (English Building), Room I-101 A&B. Free parking in Lot 2.

Celebrate Our Nation's Independence with Fun and Fireworks

Join Scripps Mesa Fireworks and the Mira Mesa Town Council to celebrate the United States of America's 248th year of independence with a fireworks show and community picnic. The annual Scripps Mesa Fireworks show is scheduled for 9 pm, launching from the Wangenheim campus on Black Mountain Road. Across the street, and Hourglass Park, the Mira Mesa Town Council will host a Community Picnic. The Kona Ice truck will be there, and the Mira Mesa Girls Softball team will open a snack bar to provide other food items. There will be a DJ on site, who will host a "count down" to the fireworks.

The committee for next year's event is now forming. Email fourthofjuly@miramesatowncouncil.org to join!

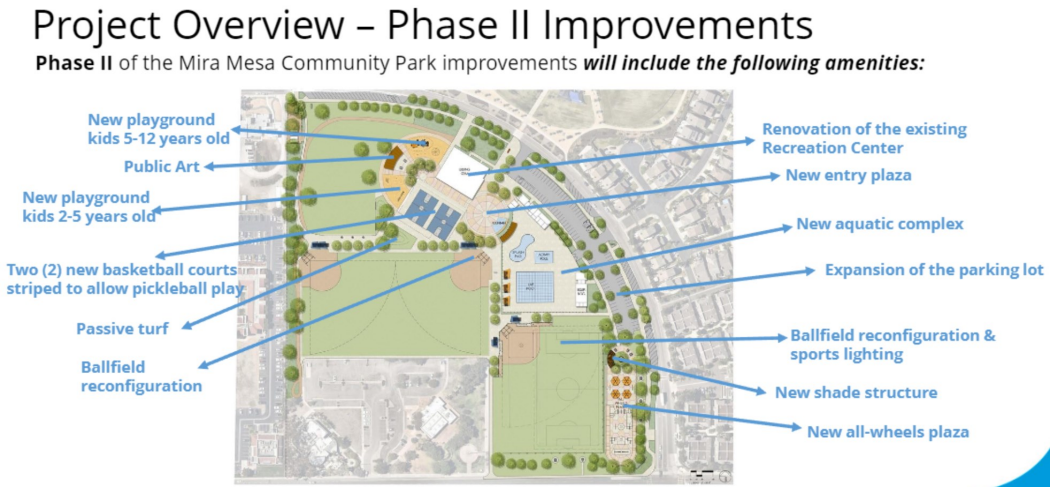
Mira Mesa Community Park Phase 2 Approved by City Council

By Jeff Stevens

On Monday June 3rd the City Council voted to proceed with construction of "Mira Mesa Community Park Phase 2" which will include an aquatic center, skate park and a variety of other improvements. This project will be great for our community, but the Council action is just the final step in a very long process. How did this come about? How is it paid for? When did the public have input into the design? Following is a short explanation.

The 1992 update to the Mira Mesa Community Plan added the land north of New Salem to the Community Park, and included a pool in a planned new park adjacent to Challenger Middle School. That park could not be built due to vernal pools on the site, so the future pool was relocated to Mira Mesa Community Park. The Mira Mesa Community Planning Group is the volunteer organization recognized by the City to advise on land use issues and is the primary community group involved in these early stages.

Phase 2 as well as all the new parks and park improvements, fire stations and the library built in the last 35 years were paid for by developer fees collected under the Facilities Benefit Assessment (FBA) program. This program funded a specific list of projects derived from the Community Plan and assessed developers for the projected costs. Although waiting for funds to accumulate often took a frustratingly long time, the program was effective in building most of the projects in our Community Plan. Unfortunately, and unwisely in my opinion, the City terminated all of the FBA programs with passage of the "Parks Master Plan" in 2021. Fortunately for us, the final phase of Casa Mira View started before the plan passed, and the development agreement for 3Roots kept the fees from that project in the community. Otherwise, we would not have been able to proceed with this project.



The Mira Mesa Community Recreation Group, formerly known as the Mira Mesa Recreation Council, is the volunteer organization recognized by the City to advise on park design and park activities. Prior to development of any park, the Community Recreation Group together with City staff hold one or more public workshops to gather public input on park design. The first public workshops on the Community Park improvements were held in 2004 and led to the Phase 1 project with the new ballfields north of New Salem and a number of other improvements, as well as preliminary design and location for the pool and the addition of a skate park. The public workshops for Phase 2 were held in late 2019/early 2020 and led to the project that was just approved. MMHS water polo asked for a larger, deeper pool suitable for competition and that became an element of the design. The Community Recreation Group continues to work with the park and recreation department as plans are developed and finalized.

The Mira Mesa Town Council (MMTC), a volunteer nonprofit organization independent of the City, works closely with the Planning Group and Community Recreation Group. These groups give regular reports at MMTC meetings, so these meetings provide a good opportunity to find out about projects when they are still in the planning stage, which is when public input is most effective. Once design is complete the City assembles a bid package and solicits bids to build the project. The action this week at the City Council was to accept or reject the bid. Most of the residents who spoke at the hearing were expressing their support, which is important, but it is important to recognize that it is not possible to make any significant changes at this late stage.

SAN DIEGO CITY COUNCIL DISTRICT 6

CONVOY • KEARNY MESA • MIRAMAR • MIRA MESA
SORRENTO VALLEY • UNIVERSITY CITY • SCRIPPS RANCH

Hello Neighbors,

We have an exciting update on the Mira Mesa Community Park! On June 3rd, the City Council approved a $43.3 million investment to upgrade and add new and significant amenities to the park. The "Phase II" project will bring to life improvements the local community has envisioned since 2005, including renovations and HVAC addition to the rec center, a new aquatic center with multiple pools, a skate park, updated basketball courts, playgrounds, fields, and more.

Phase II of the Mira Mesa Community Park is anticipated to break ground this summer and be completed by the fall of 2026. The City has also identified the future need to expand the park's recreation center space, included in "Phase III" plans, along with additional recreational needs throughout Mira Mesa in the decades ahead.

We also recently celebrated the expansion of the North County Transit District's (NCTD) Sorrento Valley COASTER Connection to include new routes. This service is crucial for San Diego's economy, helping thousands of workers commute by providing a much-
needed last-mile connection. Nurses, students, and technology and biotech workers rely on this vital link. Thank you to NCTD, its staff, and its Board of Directors for making this project possible. Learn more about the COASTER Connection service at gonctd.com/cc.

Finally, on June 11th, following several months of deliberations and hearings, the San Diego City Council approved the fiscal year 2025 budget unanimously. Key changes we made to the final City budget focused on protecting proven programs—reversing cuts and increasing funding for vital housing, homelessness, pothole repairs, and community programs. Even though it's a difficult budget year, our neighborhoods deserve these services, and as Chair of the Budget Committee, I was honored to work with my colleagues to deliver a final budget that reflected the community's priorities.

While serving as Chair of the budget review process, we worked this year to make public input easier, and these modifications reflect the feedback you gave us. These additions are on top of many positive recommendations from Mayor Gloria, including major investments in road repair, infrastructure, public safety, and homelessness. I look forward to seeing this budget in action in the 2024-25 fiscal year.

My family and I hope to see you all at the 4th of July fireworks celebration in Mira Mesa (taking place on July 3rd) again this year and share our gratitude to the volunteer team at Scripps Mesa Fireworks for making this annual celebration possible! As always, if you have any concerns, our office can help. Don't hesitate to contact us at KentLee@SanDiego.gov.

Warm regards,
Councilmember Kent Lee

Senate Minority Leader Jones lauds US Supreme Court on its Grants Pass ruling

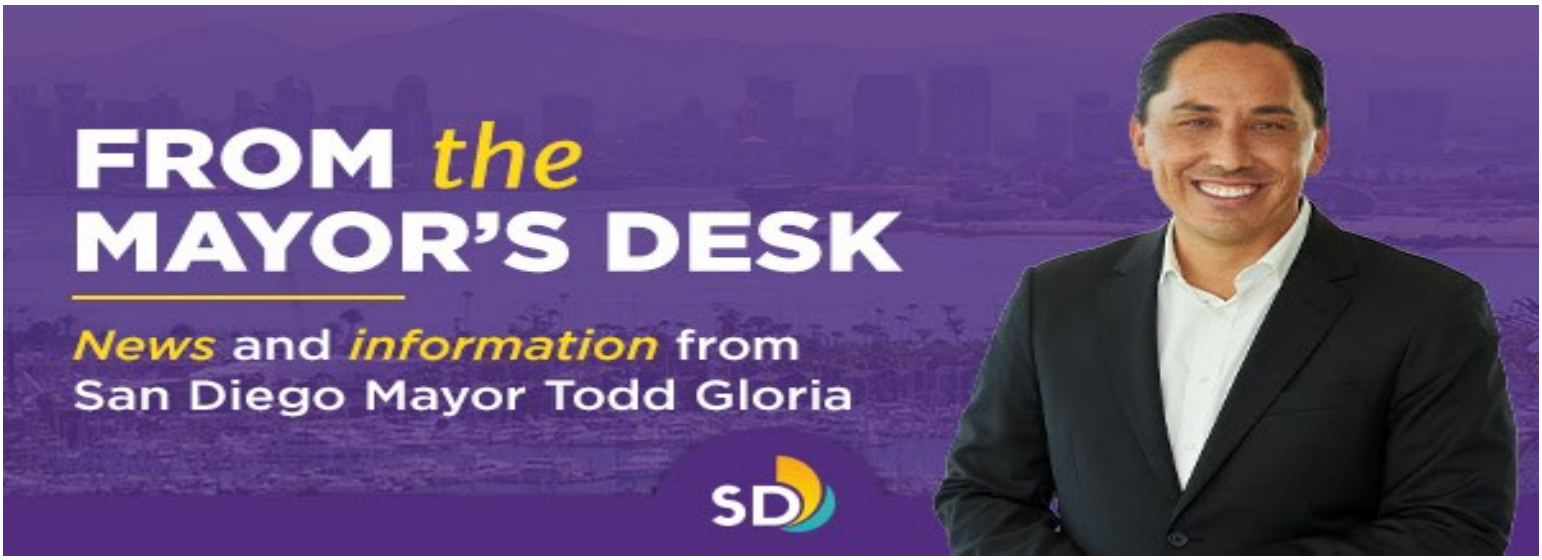
SENATE MINORITY LEADER
BRIAN W. JONES

Senate Minority Leader Brian W. Jones (R-San Diego) issued the following statement applauding the U.S. Supreme Court ruling on City of Grants Pass v. Johnson (Grants Pass), which found that the city of Grants Pass, Oregon, may enforce its ordinances prohibiting camping on public property and fining violators:

"Today's decision rightly empowers state and local officials to compassionately clear encampments. Californians should not have to tolerate the encampments that have taken over our communities. This is not about criminalizing homelessness—it's about ensuring the safety of both the community and homeless individuals. With this decision, Democrat politicians can no longer justify allowing this severe public health and safety crisis to persist on our streets. It's time to clean up California.

"The ruling also reaffirms that my bipartisan Senate Bill 1011 from this year is a compassionate and legal approach to addressing homeless encampments. I am committed to continuing to work on this measure to ensure the safety of the community and the dignity of homeless individuals." - Senate Minority Leader Brian Jones

Specifically, the court's ruling found that the enforcement of generally applicable laws regulating camping on public property is not "cruel and unusual punishment" as prohibited by the Eighth Amendment.



Mayor Gloria Elected 2nd Vice President of U.S. Conference of Mayors

I am honored to have been elected by my fellow mayors as the 2nd Vice President of the United States Conference of Mayors.

This prestigious role places me in a key leadership position within an influential organization that represents cities with populations of 30,000 or more, providing a united voice for over 1,400 cities across the country.

This opportunity allows me to collaborate more closely with my mayoral colleagues to develop solutions for the most pressing challenges faced by cities, including high housing costs, homelessness, aging infrastructure, and public safety. By leveraging our collective voice, we can spur action on these issues and improve the quality of life for residents in our respective cities.

Being part of the leadership of the U.S. Conference of Mayors aligns with my vision of elevating San Diego. This leadership role not only highlights San Diego's growing influence but also reinforces our commitment to making our city a model of progress and innovation on the national stage. As we continue to work together, I look forward to the positive changes we can bring to our communities through collaboration, dedication, and a shared vision for a better future. !

Supporting Gun Violence Prevention Efforts

In honor of Gun Violence Prevention Month, I was glad to host a roundtable with community leaders (including some amazing young leaders!) and organizations who are working to end the gun violence epidemic both in San Diego and across the country.

We have so much more work ahead of us to end this epidemic once and for all, so it was great to hear more about how we can partner to uplift local efforts at the federal level. I know that, together, we can put an end to this senseless violence and save lives in our community.

The Mira Mesa Community Recreation Group

The Mira Mesa Community Recreation Group (known as the Mira Mesa Recreation Council in past years) meets on the second Tuesday of each month at 7 PM at the Lopez Ridge Park recreation center. All residents and anyone interested in Mira Mesa parks and recreation are welcome and encouraged to attend. See https://miramesarecreationcouncil.org for more information. If you wish to be added to the email list to receive agendas and minutes, contact Brian Vaira at BVaira@sandiego.gov.

New Budget for our Communities

Dear Mira Mesa --

New budget, new steps to fight pollution, and a new… report card?

This week my colleagues and I approved a $8.5 billion County budget for the 2024-25 fiscal year.

This is about more than just money: This budget is a mechanism to continue to implement the policies the Board of Supervisors has been approving over the last three and a half years.

The budget prioritizes our most critical issues including environmental protection, addressing homelessness, and expanding opportunities for mental health and addiction treatment.

Additional resources for us to continue our fight to clean up the Tijuana River sewage crisis, including upgrades to storm-water infrastructure to protect our local water supply, keeping pollution and toxic runoff out of our beloved beaches, bays, and coastlines.

Investments to continue addressing homelessness, using innovative thinking to clean up streets, clear encampments, and get people the help they need and into supportive housing.

Enhanced programs to tackle the opioid crisis, with a specific emphasis on fentanyl enforcement, prevention, and addiction treatment. These programs provide real results for people in need and benefit our communities.

Funds to improve our communities, including making road improvements, funding parks and libraries, and enhancing public safety.

You can view the approved budget on: https://sandiegocounty.budget.socrata.com/#!/year/default

National Ice Cream Month

By Kaanchan S Farkiya

I scream, you scream! We all scream for ice cream! If you haven't guessed, July is National Ice Cream Month. It's a perfect time to cool off with a scoop of your favorite flavor.

President Ronald Reagan designated July as National Ice Cream Month, along with the third Sunday of the month, as National Ice Cream Day.

Fun Facts

- Vanilla is the most popular flavor of ice cream.
- The ice cream soda was invented in 1874.
- It takes roughly 50 licks to finish an ice cream cone.
- California produces the most ice cream in the United States.

Luckily, there is plenty of opportunity to celebrate National Ice Cream Month starting in July. It marks National Creative Ice Cream Flavors Day as a day to sample or wonder about the odd combinations of ice cream flavors. Explore other flavors with the traditional chocolate, vanilla, and strawberry ice cream when you celebrate this holiday! You can also celebrate National Peach Ice Cream Day on July 17th -It sweetens the day with a few scoops at the peak of peach season. Since peaches begin peaking in July, this celebration comes just in time.

You can also try the homemade ice cream recipe of Peach Ice Cream.

Ingredients:

4 large, soft, ripe peaches; peeled and cut into chunks
1/4 cup water
1/4 cup peach juice
2/3 cup white sugar
1 cup whipping cream
1/2 cup sour cream
1/2 teaspoon vanilla
1/4 teaspoon lemon juice

Instructions:

- Place peaches, water, and juice in a medium saucepan over medium heat. Cook covered until peaches are soft, stirring occasionally.
- Transfer peaches and sauce to a non-reactive mixing bowl.
- Mix in sugar and allow to cool to room temperature.
- Add remaining ingredients.
- Puree in a blender or food processor until smooth.
- Chill until cold.
- Churn in the ice cream maker following the manufacturer's instructions.

There are around 725 businesses that make ice cream in the U.S. Imagine, trying a different flavor at one of those 725 ice cream shops! Celebrate by venturing out to your local ice creamery and testing their many concoctions, or head down to the grocery store and get creative by finding different ingredients to make your own! You can also try to find some crazy flavors yourself! Here are just a few we came across – mashed potato ice cream, beer ice cream, olive oil ice cream, goat cheese ice cream, etc. The great thing about creative ice cream flavors is if you can imagine it, you can achieve it.
