Mira Mesa Town Council

Volume 77, Issue 9 September, 2024

San Diego Community College District has a $3.5 billion dollar bond measure on the November 5, 2024 ballot. What improvements are planned for Miramar College?

Join us on Monday, September 9, as Miramar College President P. Wesley Lundburg and SDCCD Board of Trustees President Bernie Rhinerson present the future of the San Diego Community College District, and what improvements will be included in the proposed bond measure.

The San Diego Community College District is San Diego's leading institution for job training – including for first responders, nurses, emergency medical technicians, and increasingly, for careers in biotechnology, cyber defense, and sustainability fields. It is also an affordable pathway to a four-year degree, due to well-developed transfer programs with the University of California and California State University systems. And the California College Promise Program provides free tuition to first-time, full-time students who attend a community college for the first two years of their education.

The Mira Mesa Town Council is a 501(c)(4) non-profit, community benefit organization, organized dedicated to promoting and providing civic, cultural, social and recreational development and improvement in Mira Mesa. The Mira Mesa Town Council was founded on September 21, 1972, by residents of Mira Mesa to allow community members to advocate for their community.

Regular Meetings are held on the first Monday of every month at 7pm. All Mira Mesa residents are invited to attend.

Family Fun at Mira Mesa Street Fair 2024 on Saturday Oct. 5

by Pam Stevens

Enjoy fun for the whole family at the Mira Mesa Street Fair on Saturday, October 5, at the Mira Mesa Street Fair, from 10am to 5pm on Camino Ruiz between Mira Mesa Boulevard and New Salem Street.

Mira Mesa's busiest north/south street, Camino Ruiz, is closed to cars from Mira Mesa Boulevard to New Salem Street and belongs to the people on Street Fair day. Admission is free. This family event is hosted by the Mira Mesa Town Council, Mira Mesa's volunteer non-profit civic group.

The Mira Mesa Street Fair features two stages with live music, dance, martial arts, and other entertainment. The Food Court has an international flair! The Fun Zone features a variety of inflatable attractions ("Pay one price, jump all day") for kids and teens.

Browse booths, shop for unique items from crafters, and discover more about Mira Mesa at information booths by local businesses and non-profit groups. Visit the "big top" community tent to see displays and talk with volunteers from Mira Mesa Town Council, Mira Mesa Community Planning Group, and Mira Mesa Community Recreation Group, as well as Mira Mesa Library staff, volunteers, and Friends of the Library. Stop by the Mira Mesa Library at New Salem and Camino Ruiz (near the music stage at the Street Fair's north end) to browse book bargains at the Friends of the Library's biggest sale of the year!

Looking for lumpia? Local favorite Gabina's has it, returning at Street Fair. Filipino food is also featured at a booth by MJ's Cebuchon and Catering Services, new this year. Papa's Polvoron returns with Filipino shortbread and deserts. L & L Hawaiian BBQ will have a Street Fair booth this year. Other food vendors include House of Bao; SumoSize; Grammy's Touch of Soul; Amazing Fries and More; Turkish Grill (kebabs, gyros, shawarma, and more); Kona Ice frozen treats; Wetzel's Pretzels food truck (operated by Kona Ice), and Finest City Sweet Treats (kettlecorn, cotton candy; bottled water).

Street Fair has something for every interest. Learn how you can explore Mira Mesa's wild backyard from the Friends of Los Penasquitos Canyon Preserve. Look through a solar telescope set up by the Mira Mesa Astronomy Meet-Up group. See a demonstration by the US Marine Corps of their "EOD" (Explosive Ordinance Disposal) robot which can safely dispose of bombs. Visit the Scripps Mesa Fireworks booth and learn more from the non-profit group's volunteers about the 2025 Mira Mesa fireworks display, now set for 9 pm on July 3, 2025. Help kick off the planning and fundraising to make sure it happens! The Mira Mesa Town Council is organizing a community celebration and fireworks watch party at Hourglass Field Community Park.

The Need for Micro-Transit

By Jeff Stevens

The Mira Mesa Community Plan was adopted by the San Diego City Council in December 2022. The Mira Mesa Community Planning Group made a set of recommendations to correct deficiencies in the Community Plan. Those deficiencies include insufficient public facilities; inconsistencies with City standards, unmitigated impacts and wishful thinking. The complete set of recommendations can be found at this link. This is the fourth in a series of newsletter articles discussing these deficiencies and recommendations for correcting them. The micro-transit recommendation is:

> The proposed transit network is limited to major roads such as Mira Mesa Blvd and it is not easily accessible to many residents, particularly those who live in the Sorrento Valley Blvd-Calle Cristobal corridor. Because of the structure of the streets on the South side of Calle Cristobal and the long, narrow shape of Pacific Ridge very few of the residents will be within a one-half mile or 10-minute walk to a transit hub or bus stop.
>
> **Although micro-transit is acknowledged on p. 53 of the Community Plan, a more explicit plan needs to be outlined that is comparable in detail to those for the major streets in Chapter 3 of the Community Plan.**

The City is counting on residents using transit instead of the automobile for most of their transportation needs. However, for this to be practical, residents need to be able to access transit without a long walk and within a reasonable amount of time. The figure below shows the existing and planned transit network in Mira Mesa from the Mira Mesa Community Plan. The transit lines are restricted to the major roads and are a considerable walk for most of the community. This could be solved with easily accessible shuttles to get people from their homes to transit. The development of such a shuttle network is the reason for this recommendation.

The full Mira Mesa Community Plan can be found at this link: https://miramesacommunityplanninggroup.org/mira-mesa-community-plan/.

As the summer winds down, many parents (myself included) are gearing up for another school year. Alynna and Oliver had a great first few weeks of school, and I wish all our students, teachers, staff, and parents a fantastic year ahead! The City Council is also gearing up for a busy fall, with many public hearings and plenty of legislation on the calendar. In the meantime, our entire office and dedicated community team remain at your service. Please don't hesitate to reach out with any questions or concerns.

Thank you to everyone who joined us for our No-Cost Dumpster Day! We couldn't have done it without the incredible volunteers from the Mira Mesa Town Council—your dedication to our community is truly appreciated. A special thanks to Principal Dr. Matt Fallon and his team for not only allowing us to host the event at Wangenheim Middle School but also giving our team a tour of the school to kick off the new school year.

We were honored to attend the inaugural San Diego Taiwan Festival, proudly hosted for the first time by TAP-San Diego, an organization based in the Convoy District. This event celebrated the culture and friendship between the sister cities of San Diego and Taichung, Taiwan, reflecting the formal recognition of their bond. Attendees enjoyed cultural crafts, delicious Taiwanese food, including specialties like 太陽餅 (Sun Cakes) and 鳳梨酥 (Pineapple Cakes), as well as games and a Mahjong tournament. A heartfelt thank you to all the organizers, volunteers, and sponsors who made this festival possible. In recognition of this special occasion, we officially proclaimed August 3rd as San Diego Taiwan Festival Day in the City of San Diego.

Our office recently attended an open house with Environmental Services Department (ESD) at the Mira Mesa Library to discuss Measure B, which amended the "People's Ordinance" in 2022 to allow the City to charge a cost-recovery fee for trash and recycling collection services the City provides to residential properties. If you weren't able to attend one of the discussions but would still like to participate in person, the last meeting of the year will be on Monday, September 9, 5:30-7 p.m. at La Jolla/Riford Library, 7555 Draper Ave., 92037. Stay in the loop by joining the engagement email list and visiting the City's webpage (https://cleangreensd.org/), which includes fact sheets, online questionnaire, and historical information about waste services in San Diego.

Quick reminder that the ACCF applications are now open (August 19 – September 13, 2024). For more information about the programs and application processes, please visit https://www.sandiego.gov/citycouncil/accf.

As always, if you have any concerns, don't hesitate to contact our office. Please reach out to our Mira Mesa Community Representative, Ana Serrano, at AISerrano@sandiego.gov.

Warm regards,
Councilmember Kent Lee

Mira Mesa Park Projects Update

Status reports on Mira Mesa Park projects are published monthly on the Mira Mesa Recreation Council website.

Mira Mesa Community Park Phase II Improvements:

On Monday, July 15th, the City design team conducted a pre-pre-construction meeting to facilitate the transition of the project from the design team to the construction team. On Wednesday, July 31st, the City construction team held the official pre-construction meeting with the awarded contractor, PCL Construction Services. Construction started on August 19th. The Contractor has 525 working days to complete this major facility. The Project is expected to be substantially complete in Spring 2026 and accepted the following Fall, barring unforeseen conditions.

Salk Neighborhood Park Joint Use Development:

Construction is approximately 75% complete, with ongoing work to include biological surveying of noise levels and continuing work on the Maddox Park: CMU retaining wall footings, and upper CMU retaining walls. Parking Lot: asphalt repair. Oval Park: auger for light pole bases -North, irrigation main and laterals, form for seat wall footings, concrete for seat wall footing and light poles. Comfort Station: structural steel, third CMU lift, glulam beams.

There is a delay with the lead time and DSA review of the shade structure and the retaining walls at Maddox Park and Dog Park, among other unforeseen conditions. This pushes the overall construction completion into the winter, with the Plant Establishment Period/Park Opening scheduled in late spring of 2025.

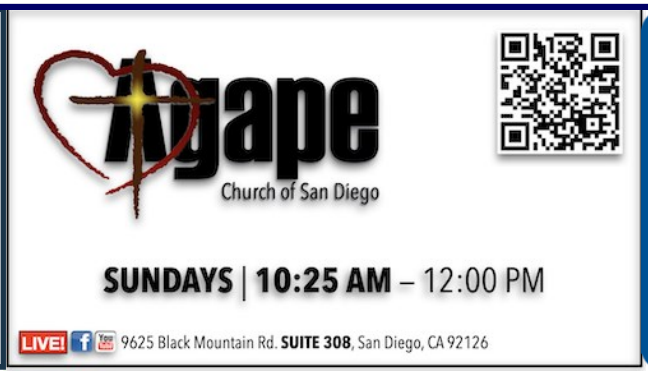
Wangenheim Neighborhood Park Joint Use Facility:

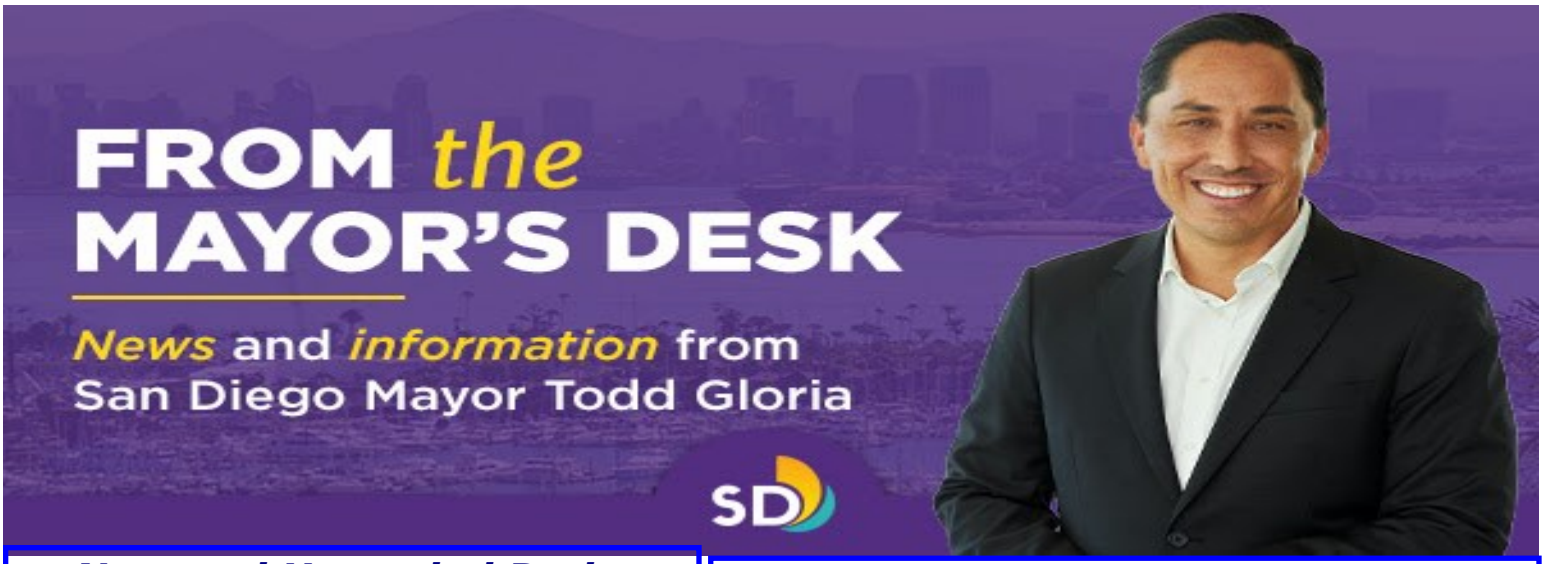
The contractor is still working on the comfort station, which is expected to be completed in a few weeks. The Walker Neighborhood Park shade structure is projected to be finished this fall. The project is anticipated to be fully completed in early 2025. Parks and Recreation has been actively watering the field and trying to nurse the turf, as the grass has had issues establishing. Staff toured the fields and decided to plan to open the field on August 12th after the site is fertilized this week and will continue to evaluate to determine if a renovation will be needed in the Winter or the Summer of 2025.

Hourglass Rec Center Director Jesse Dawn is working with AYSO to make sure their permit is correct for Wangenheim beginning September 5. Gate Locking: Regiment Security Partners will lock the gates nightly at 10:30pm. Gates Opening Weekday: Gates will be open by School District Staff Monday/Wednesday 5:15pm, Tuesday/Friday 3:25pm, and Thursday 1:18 pm. Gates Opening Weekend: City GMW Staff will open Saturday and Sunday at 6:30am. Restrooms: the permanent restrooms are not going to be open, and we are currently working on a temporary option such as portable restrooms. We will have more to share on this soon.

The Mira Mesa Community Recreation Group

The Mira Mesa Community Recreation Group (known as the Mira Mesa Recreation Council in past years) meets on the second Tuesday of each month at 7 PM at the Lopez Ridge Park recreation center. All residents and anyone interested in Mira Mesa parks and recreation are welcome and encouraged to attend. See https://miramesarecreationcouncil.org for more information. If you wish to be added to the email list to receive agendas and minutes, contact Brian Vaira at BVaira@sandiego.gov.





New and Upgraded Parks

Since becoming your Mayor in 2020, we've built new parks and upgraded several others across San Diego and we have even more on the way.

City of San Diego Appeals to Property Owners and Managers for Potential Shelter Space

"We've doubled capacity at our sheltering options, but clearly more needs to be done so that San Diegans continue to see encampments being addressed and our unsheltered neighbors get connected to services that will help end their homelessness," said San Diego Mayor Todd Gloria. "While ample affordable housing is the only true solution, we must address the current crisis on our streets as we build thousands of new supportive units."

LOOKING AT THE BIG PICTURE

Some of the most pressing issues that the County is responsible for addressing are the homelessness, mental health, and substance disorder crises we are experiencing in our region.

We're stopping business-as-usual on the homelessness and behavioral health. The County is supporting efforts to clean-up streets, clear encampments, and get people the help they need and into supportive housing.

It can be hard to see the forward momentum day-to-day. So today I wanted to take a moment to step back and show what some of the progress looks like.

SD County Leading CA: 50 CARE Agreements in 10 Months

In October 2023, San Diego County began implementing the Community Assistance, Recovery and Empowerment (CARE) Act program, which provides community-based behavioral health services and support to those suffering from untreated schizophrenia or other psychotic disorders. The CARE Act gives individuals the opportunity to participate in creating their own agreement for mental health and housing support.

This program has been a big success for our county. We lead the state with 50 CARE agreements in 10 months - more than all the other participating California counties combined. Our first graduation from the program was celebrated on August 7.

Programs like the CARE Act are critical to our efforts to ensure those with untreated mental health disorders that may be at risk for or experiencing homelessness get the treatment they need. It takes a coordinated effort to address this issue from all angles and the County is being proactive in its efforts to address this crisis and help our communities.

We launched a new homeless diversion services program to help people at risk of homelessness. It keeps people housed and saves taxpayer money by providing families, seniors and people with disabilities emergency financial assistance to pay rent and stay housed.

Senate Minority Leader Jones Welcomes Former Senate Democrat Majority Leader to the Republican Party

"It takes real courage to step away from the Party you've led and stand for what is right"

SACRAMENTO, CA – Today, Senate Minority Leader Brian W. Jones (R-San Diego) issued the following statement welcoming former California State Senate Democratic Majority Leader Gloria Romero to the Republican Party after she announced she is changing her voter registration:

"As former Senate Democrat Majority Leader, Gloria Romero's decision to join the Republican Party shows her dedication to doing what's best for California," said Leader Jones. "For years, Gloria urged her now former Party to 'wake up' and start standing up for everyday families again. Her leadership and experience have always been about serving the people, not partisan politics. It takes real courage to step away from the Party you've led and stand for what is right. We are honored to have Gloria on our side as we fight to fix California."

"The pendulum is swinging in California. Sky-high prices, increasing crime, and record homelessness are the direct results of a broken government under the Democrat supermajority. Californians are increasingly rejecting these radical policies that have failed to deliver the solutions we desperately need. For anyone else who is tired of witnessing the Democrat supermajority run this state into the ground, we have a seat at our table for you, too," continued Leader Jones.

From 2005 through 2008, Romero was the first woman to ever serve as the California State Senate Democratic Majority Leader. Despite her strong ties to the Democratic Party, Romero began rejecting the direction of the Party and advocating for a more commonsense approach to the many issues in California. In a 2021 memo, Romero urged the Democratic Party to "WAKE UP, reverse course, and get back to standing up for 'the little guy' and everyday families once again." After watching the Party continue to run further left and fail to offer real solutions to fix California, Romero announced she is switching her voter registration to Republican.

"I am now another near life-long Democrat who is joining the growing number of people, including key groups like Latinos, who are leaving the Democratic Party," said Romero in front of the State Capitol this morning. "This is not the Democratic Party that I once championed. I do not recognize it anymore and I *cannot continue. I changed my voting registration…to Republican, which has…become the champion of working people."*

Romero's Party switch comes less than a month after current State Senator Marie Alvarado-Gil (R-Jackson) switched from Democrat to Republican. Much like Romero, Alvarado-Gil explained that the "Democratic Party is unrecognizable to what [she] once knew and lacks the will to fix the problems plaguing this state."

International Literacy Day

By Kaanchan S Farkiya

International Literacy Day is observed annually on September 8 to raise awareness about the importance of literacy as a matter of dignity and human rights. Established by UNESCO in 1966, this day highlights the significance of literacy for individuals, communities, and societies, and addresses challenges related to illiteracy globally.

The intention was to remind people all over the world that the ability to read and write should not be taken for granted. An effort has been made to increase literacy rates. Each year, International Literacy Day has a specific theme to focus on various aspects of literacy. These themes often align with global development goals, such as improving access to education, promoting gender equality, and addressing the literacy needs of marginalized populations. Recent themes have emphasized literacy in the digital age and the role of technology in learning.

On International Literacy Day, events and activities like workshops, conferences, and public campaigns are held worldwide to promote literacy and advocate for lifelong learning opportunities. This event aims to highlight the importance and value of literary education for individuals and groups and provide benefits for the wider global culture.

Community Calendar - September, 2024

Many of these are Mira Mesa Library events. For a full list of MM Library events see sandiego.librarymarket.com

September 8 — **Mira Mesa Island Market**
10am-4pm - Red Lobster Parking Lot.

September 9 — **Mira Mesa Town Council Meeting**
7pm - Mira Mesa Library.

September 10 — **Mira Mesa Community Recreation Group**
7pm - Lopez Ridge Recreation Center.

September 16 — **Mira Mesa Cluster Schools Council**
5:30pm - On Zoom.
https://us06web.zoom.us/j/83629605963?pwd=T1RrRUNOM1JjYis1RlNydDB1QkJwUT09

September 16 — **Scripps Mesa Fireworks Fundraiser**
All Day at The Kebab Shop, 9450 Mira Mesa Blvd. Online order code: "FUNDRAISER"

September 16 — **Mira Mesa Community Planning Group Meeting**
7pm - Mira Mesa Library.
