November MMTC Meeting

November 4th MMTC Meeting Features MAD Update, MMTC Board of Directors Election

By Pam Stevens

The Mira Mesa Town Council meeting on Monday, November 4, 2024, will feature an update on the Mira Mesa Maintenance Assessment District (MAD) budget by Tom Derr, MAD Committee chair. The meeting begins at 7pm in the Mira Mesa Library community room. Derr is scheduled to attend a meeting with city staff about the MAD budget earlier that day. Following his report, the proposed Mira Mesa MAD budget for the next fiscal year (FY 26) will be posted on the MMTC website, and MMTC members will vote on the group's recommendation at the December 2 MMTC meeting. Further information about the Mira Mesa MAD is available at: https://www.miramesatowncouncil.org/maintenance-assessment-districts/

The November 4th MMTC meeting will include the annual MMTC Board of Directors election. MMTC members vote each year to elect approximately half of the 11-member Board to overlapping 2-year terms (5 in even-numbered years, 6 in odd-numbered years). See "MMTC Board Election November 4, 2024" for details.

The meeting will also include a variety of regular reports by first responders, representatives of elected officials, MMTC committees, and other community groups. There will be time for "open forum," when people can speak for two minutes about something they'd like to bring up which is not on the agenda. For further information see www.miramesatowncouncil.org

The Mira Mesa Town Council is a 501(c)(4) non-profit, community benefit organization, organized dedicated to promoting and providing civic, cultural, social and recreational development and improvement in Mira Mesa. The Mira Mesa Town Council was founded on September 21, 1972, by residents of Mira Mesa to allow community members to advocate for their community.

Regular Meetings are held on the first Monday of every month at 7pm. All Mira Mesa residents are invited to attend.

MMTC Board Election

MMTC Board Election November 4, 2024

By Pam Stevens

At the November 4, 2024 Mira Mesa Town Council meeting, MMTC members will vote to elect 5 of the 11 members on the MMTC Board of Directors to serve on the Board from January 2025 through December 2026. This is the fifth Board election since MMTC began the policy in 2019 of electing half of the Board each year to overlapping 2-year terms, 6 members in odd- numbered years, and the other 5 in even-numbered years.

A Nominating Committee, consisting of Parliamentarian Eric Kolbeck as chair, along with Pam Stevens and Yvonne Negron, was formed to ask current Board members about their interest in running for re-election as well as to recruit new Board members from among general members with an interest in running for the Board. This year four of the five incumbents with expiring terms have expressed interest in running for re-election. Director at Large #4 Dorothy Lorenz will be stepping down from the Board at the end of this year, but she plans to remain an active general MMTC member.

Eric Kolbeck will present the recommendations below for Board members to serve 2025 – 2026.
The nominees will introduce themselves, and there will a chance for any additional nominations from the floor, prior to the vote:
1st Vice President/Programs – Pam Stevens
Treasurer – Jonathan Lea
Newsletter Editor – Javieer Farkiya
Director at Large #3 – Kaanchan S. Farkiya
Director at Large #4 – Aida Pampo

Continuing Board members with terms of 2023 – 2025 are:
President – Bari Vaz
2nd Vice President/Membership – Yvonne Negron.
Secretary – Jeff Stevens
Parliamentarian – Eric Kolbeck
Director at Large #1 – Dan Austin
Director at Large #2 – Shane O'Garro

A "crossover" Board meeting with new and old Board members is usually held in November or December, and the new Board will officially take office at the January 6, 2025 meeting.

If you have an interest in serving on the MMTC Board of Directors in the future, please contact us. You can email Parliamentarian Eric Kolbeck, Parliamentarian@miramesatowncouncil.org

The Mira Mesa Community Recreation Group

The Mira Mesa Community Recreation Group (known as the Mira Mesa Recreation Council in past years) meets on the second Tuesday of each month at 7 PM at the Lopez Ridge Park recreation center. All residents and anyone interested in Mira Mesa parks and recreation are welcome and encouraged to attend. See https://miramesarecreationcouncil.org for more information. If you wish to be added to the email list to receive agendas and minutes, contact Brian Vaira at BVaira@sandiego.gov.

2024 MMHS Band & Color Guard Field Tournament

By Pam Stevens

The Band & Color Guard Field Tournament at Mira Mesa High School on Saturday, November 2, 2024, will take place earlier in the day than previously announced, due to anticipated rain arriving in late afternoon/evening Saturday. **Stadium gates will open at 8:30am and the first performance, the field show by University City High School, will be at 9:30am. The Tournament will conclude with an awards ceremony at approximately 5pm. The Mira Mesa High School Sapphire Sound Band & Color Guard, host of the Tournament, will perform their field show at 4:30pm.**

For spectator guidelines and a complete schedule of schools' field show times, see:
https://www.miramesabands.org/tournament
General admission tickets are available at the stadium gate, $15 each (children under 3 are free).

There are food stands on campus for refreshments during the day. Plan to arrive early enough to park in the surrounding area, since MMHS lots are reserved for band buses and not open for spectator parking.

A total of 24 Southern California high school bands and color guards are performing their field shows Saturday, Nov. 2, in the 32nd Annual Mira Mesa Invitational Field Tournament.

University City High School, Mira Mesa's neighbor to the west, will be the first, taking the field at 9:30am.

A band and color guard field tournament is great family fun for all ages. Do you enjoy the half-time show at a football game? Watching a field tournament is like seeing several different half-time shows one after the other! At a field tournament you get to hear the band's music and see its marching formations, as well as watch the color guard dancing with their flags. Schools are grouped into divisions by size.

A family with young children might want to arrive at a time of your choice and just stay for about an hour, enough to watch three or four bands in a row. However, you can stay and see as many schools perform as you'd like.

MMHS is the last of the high schools to take the field. Their performance is followed by a San Diego State University Exhibition Show, then the Awards Ceremony. For anyone coming to the Field Tournament mainly to see the MMHS field show, I recommend arriving early enough to watch the other bands in its division, starting with Mt. Carmel (Rancho Penasquitos) at 3:45pm.

You could also arrive a little earlier and see the schools in the division before it, which starts at 2pm with Fallbrook, and includes Westview High School (Rancho Penasquitos) at 2:30pm, as well as Poway High School at 3pm. There is a 15-minute break between the end of that division at 3:30pm and the start of the final division at 3:45pm.

Under the leadership of Jeanne Christensen, Director of Bands, the MMHS Sapphire Sound, aka the Blue Team, has 200+ members and is the largest Band program in the San Diego Unified School District. The Mira Mesa High School Sapphire Sound Band and Color Guard have been invited to perform in the Pearl Harbor Memorial Day Parade on December 7, 2024, in Honolulu, Hawaii. A "Pearl Harbor Send-off" concert is scheduled on Tuesday, December 3, in the MMHS gym at 6:30pm. The students will travel to Honolulu Dec 5 – 9, 2024. For further details about the Sapphire Sound and other upcoming events, see https://miramesabands.org

COUNCILMEMBER
KENT LEE
SAN DIEGO CITY COUNCIL DISTRICT 6

CONVOY • KEARNY MESA • MIRAMAR • MIRA MESA
SORRENTO VALLEY • UNIVERSITY CITY • SCRIPPS RANCH

Hello Neighbors,

Our office has been busy these past few months! It's hard to believe we're already working on the Proposed Fiscal Year 2026 Budget. As Chair of the Budget and Government Efficiency Committee, I am focused on key citywide priorities such as additional funding to repair streets; build more affordable housing; and expand shelter services to reduce the number of San Diegans experiencing homelessness on our streets.

I also remain committed to advocating for key Mira Mesa projects, including the acquisition of a site for a new fire station near Camino Santa Fe/Miramar, the extension of Carroll Canyon Road west from Camino Santa Fe to Interstate 805, and additional park and infrastructure updates to accommodate the continued growth in our community. While these are significant investments that require continued advocacy, I remain committed to advancing important projects throughout the District. You can read more about my Fiscal Year 2026 Budget Priorities here: www.sandiego.gov/citycouncil/cd6/budget

My team had a fantastic time hosting a booth at the Mira Mesa Street Fair last month. A big thank you to the Mira Mesa Town Council for organizing such a wonderful event, and to everyone who stopped by to say hello!

In October, San Diego officially recognized Filipino American History Month. We celebrated at City Hall with an amazing performance by the SAMAHAN Filipino American Performing Arts & Education Center. A heartfelt thanks to the Filipino community members and leaders who joined us—your stories are a vital part of San Diego's history.

In other news, following our groundbreaking last month for the Mira Mesa Community Park Phase II project, a portion of New Salem Street will be closed to traffic from October 21st to December 6th (7am – 4 pm) for utility work. See map attached for more details and thank you to residents for your patience as this landmark project is underway!

As we head into the holiday season, it's a time for joy and gratitude. My family and I are looking forward to spending time together over Thanksgiving, and we wish you and your loved ones a wonderful holiday.

Keep an eye on our social media channels for details on how to sign up for our District 6 Turkey Distribution event happening on November 23rd and our annual Trees for Troops on December 7th.

Warm regards,

Councilmember Kent Lee

As always, if you have any concerns, don't hesitate to contact our office. Please reach out to our Mira Mesa Community Representative, Ana Serrano, at AISerrano@sandiego.gov.

Deficiency in Schools in the Mira Mesa Community Plan

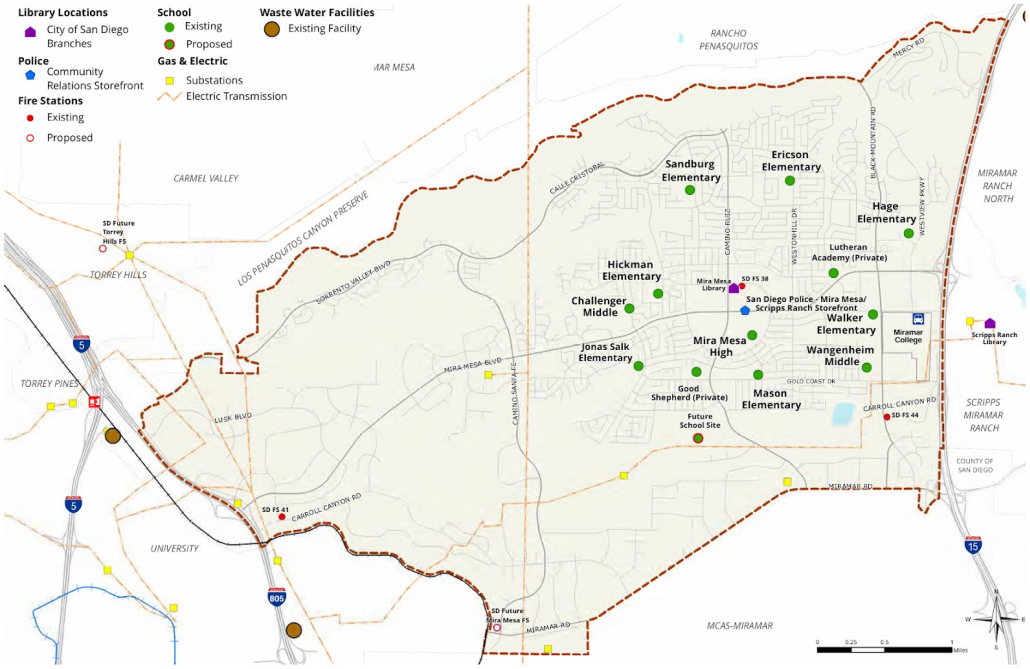
By Jeff Stevens

The Mira Mesa Community Plan was adopted by the San Diego City Council in December 2022. The Mira Mesa Community Planning Group made a set of recommendations to correct deficiencies in the Community Plan. Those deficiencies include insufficient public facilities, inconsistencies with City standards, unmitigated impacts and wishful thinking. The complete set of recommendations can be found at this link. This is the sixth in a series of newsletter articles discussing these deficiencies and recommendations for correcting them. The recommendation on schools is:

> SDUSD demographers estimate a potential increase of 7,614 students from the future additional dwelling units under the proposed CPU. Breakdown by grade:
>
> a) K-5: 4,029
>
> b) 6-8: 1,573
>
> c) 9-12: 2,012
>
> d) K-12: 7,614
>
> This means Mira Mesa High School could see an increase of 2000 students. The SDUSD letter to the City says "Implementation of the Draft Mira Mesa Community Plan Update will likely require significant expansion of school facilities in Mira Mesa. The district does not currently have any long-range facility plans that could possibly accommodate the estimated number of generated students." No school locations are identified in the Plan except for one elementary school site intended to support Stone Creek. It is not going to get easier to find land for schools in the future.
>
> Planning should begin now for how this increase in students will be managed.

It is unlikely that all the housing allowed in the Community Plan will actually be built, but even half of this increase will be a very significant problem. On top of this, many of the houses are occupied by older people whose children have been through the system and graduated. At some point the older people will be gone and more families with children will move in to replace them. The City and School District should not wait until the problem occurs before identifying solutions.

The full Mira Mesa Community Plan can be found at this link: https://miramesacommunityplanninggroup.org/mira-mesa-community-plan/



Schools in the Mira Mesa Community Plan

Sending Your Say to the EPA

Joined by regional leaders and a petition signed by hundreds of residents, I announced yesterday that I have officially requested the Environmental Protection Agency to investigate the Tijuana River Valley for potential Superfund designation.

We need the EPA to come in and tell us once and for all if there is toxic waste in the ground and water. This request seeks federal intervention to address decades of pollution from toxins, sewage, and industrial waste that have flowed into the valley from Mexico, threatening the environment and public health.

The request, submitted to EPA Region 9 Administrator Martha Guzman, asks for a formal investigation under the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), commonly known as Superfund.

Local leaders, including Imperial Beach Mayor Paloma Aguirre and National City Councilmember Marcus Bush, echoed our calls for immediate federal action, citing the widespread environmental and health impacts.

I would like to thank the residents who shared personal stories about the impacts of the pollution, from beach closures and health risks to economic hardships. These testimonials highlight the impacts of this crisis that has persisted for nearly eight decades.

What's next? If the Superfund designation is approved, it could provide the federal resources needed to clean up the area and safeguard public health and the environment. This is one of the most significant environmental crises facing the region and we need to use every tool at our disposal to address it.

World Kindness Day

By Kaanchan S Farkiya

World Kindness Day, a product of the World Kindness Movement, is celebrated all over the globe on November 13. The purpose of World Kindness Day is to highlight the importance of random acts of kindness and the chain of paying it forward.

World Kindness Day was established in 1998 by a coalition of NGOs from various countries, known as the World Kindness Movement. Their goal for the creation of this day was to "highlight good deeds in the community by focusing on the positive power and the common thread of kindness which binds us all."

The World Kindness Movement was founded in 1997 at a Tokyo convention. It was attended by several NGOs from countries such as the United States, the United Kingdom, and Australia. The best way to celebrate this day is by performing little acts of kindness throughout the day and trying to keep it up in your day-to-day life.

Being kind is an easy thing to do. It can be something as small as complimenting people.

If you see someone struggling or having a hard time with something, such as carrying their groceries, stranded on the side of the road, or dropping something on the floor, take some time off your day to give them a hand.

If someone is having a bad day, even a smile or a kind word from a stranger might make them feel better. You are sure to inspire them to do the same for someone else.

Being a person and acting about it encourages people to be kind to each other and thus spread kindness in their communities since it has been proven that when we witness people doing something kind, we are more likely to do something nice for others.
