MMTC Meeting April 7 Features Expo-Style Format with Theme "Get Involved in Mira Mesa!"

by Pam Stevens

"Get Involved in Mira Mesa!" is the theme of the Mira Mesa Town Council meeting on Monday, April 7, 2025, which will feature a special "expo style" format. The public is encouraged to attend! Plan to arrive at 6:45pm this month to enjoy 30 minutes at the start to visit tables with displays and talk with volunteers from Mira Mesa's non-profit groups, interest clubs, and local churches who are involved with projects that benefit the community. Representatives of participating groups are invited to speak for 3-4 minutes about their activities during the program part of the meeting, which will begin about 7:15pm. The meeting will take place in the Mira Mesa Library community room, 8405 New Salem Street, San Diego 92126.

The Mira Mesa Women's Club will have a table April 7th, as will Scripps Mesa Fireworks, the volunteer non-profit group that raises all the funds for and plans the local Independence Day fireworks, which this year are scheduled to take place Thursday, July 3, 2025, at 9pm, set off from Wangenheim Park. The Mira Mesa Town Council is organizing a community picnic and fireworks watch party on July 3 from 4pm to 9:30pm at Hourglass Field Park. There will be a table at the April 7th meeting for Mira Mesa High School, with information about the MMHS Foundation and its activities, as well as other campus groups of community interest. At the Mira Mesa Library's table, find out more about what volunteers with Friends of the Mira Mesa Library do, as well as how to get involved with both book groups the library sponsors, Bibliomaniacs of Mira Mesa (second Tuesday, in-person) and the Mira Mesa Banned Book Club (last Tuesday, 6:30pm, via Zoom).

The April 7th MMTC meeting will include a featured presentation by a group of students from the MMHS "Aspen Challenge" team, who will be there along with MMHS teacher Paul Morgan, a coach for their team. The students chose as their "Aspen Challenge" coastal erosion and conservation to make sure beaches stay accessible for all people. The recent "Free Dumpster Day" for the Mira Mesa Community was a project they organized as part of their Challenge. Find out more on April 7!

Is there a graduating high school senior in your family? Visit the MMTC website or pick up an application at the meeting for the 2025 Mira Mesa Town Council / Verne Goodwin Scholarship Awards. Each year in June the Mira Mesa Town Council awards three $1,000 scholarships to graduating high school seniors who live in the community of Mira Mesa, based on their involvement with volunteering. The application deadline this year is April 30, 2025.

The meeting will also include regular reports by first responders, elected officials' representatives, MMTC committees, and other community groups. There will be time for "open forum," when people can speak for two minutes about something they'd like to bring up which is not on the agenda.

News from City Councilmember Kent Lee

Hello Mira Mesa Neighbors,

I want to start by recognizing an incredible moment in San Diego sports history—four teams made it to an NCAA Tournament for the first time! Congratulations to the SDSU Aztecs and my alma mater, the UCSD Tritons, as both their men's and women's basketball teams achieved this historic milestone. While the results may not have been in our favor this year, it was a huge moment for these student-athletes and for San Diego.

At City Hall, spring marks the beginning of the annual budget process. Due to declining tax revenues and increases in expenses based primarily on weak economic conditions and inflation, the City is facing a $258 million deficit in the upcoming fiscal year. The Mayor is expected to release a draft of the budget on April 15th and will present the Fiscal Year 2026 Proposed Budget to the City Council on Monday, April 21st. The City Council and Independent Budget Analyst will then comprehensively review the Mayor's Proposed Budget. There will be a series of Budget Review Committee hearings that will give the public opportunities to provide critical input on the budget's development prior to the City Council considering its final adoption in early June. It is likely that deep operational cuts will be proposed to close the financial deficit. This is why community input will be so important throughout the Budget Review process. There are evening Budget Review Committee hearings specifically focused on giving the public an opportunity to participate on Monday, May 5th, and Monday, May 19th. Separately, I will be hosting a budget town hall in District 6 so that I can hear directly from District 6 residents. Stay tuned for details, and as always, you can find the complete budget timeline at www.sandiego.gov/citycouncil/cd6/budget. As we approach this year's fiscal challenges, I remain especially committed to protecting the core services that matter most to District 6 families and our communities.

Recently, I was honored to be named one of Biocom California's 'Legislators of the Year' alongside Senator Akilah Weber, MD! San Diego is a global leader in life sciences, with many of our most innovative life science companies and the families they support clustered throughout District 6. I look forward to working alongside Biocom California and my colleagues to keep San Diego a hub for innovation and opportunity – especially as San Diego seeks to retain its best and brightest while attracting talent from across the country.

Thank you to CRY San Diego for hosting the annual Holi celebration in Mira Mesa! This vibrant event was a perfect way to welcome spring in San Diego. Additionally, our Mira Mesa Community Representative, Ana Serrano, attended the opening ceremony for Mira Mesa Little League. Wishing all the teams a fantastic season ahead!

Our No-Cost Dumpster Day event, in partnership with the Mira Mesa High School Aspen Challenge students, was a huge success! Thank you to all the volunteers for your hard work and dedication to the community – we collected oversized trash and recycling from over 250 households!

As always, if you have any concerns, don't hesitate to contact our office. Please reach out to our Mira Mesa Community Representative, Ana Serrano, at AISerrano@sandiego.gov.

Warm regards, Council President Pro Tem Kent Lee

Festival of the Night Sky April 19, 2025

Festival of the Night Sky & Nocturnal Creatures Event for International Dark Sky Week

When: Saturday, April 19, 2025 from 6:00 pm for nature walks and talks, 7:45 pm for stargazing, until 10:00pm.

Where: Los Penasquitos Ranch House, 12122 Canyonside Park Dr., San Diego, CA 92129

A festival of the night sky and nocturnal creatures will be held in Los Penasquitos Canyon Preserve in celebration of International Dark Sky Week. The event will include bird watching and education on the "Lights Out, San Diego!" campaign to protect birds on the Pacific Flyway, night sky poetry, live owl and hawk flights, learn about insects, bats, and moths, education on light pollution and how to light wisely, archaeology education, and a night hike to 'listen' for bats with an echo meter. Bring your binoculars for birding and stargazing.

The San Diego Astronomy Association will have telescopes set up in the field just west of the Ranch House. The Star Party with the San Diego Astronomy Association astronomers begins after dusk (about 7:45 PM).

The event will take place at locations around the Los Penasquitos Ranch House.

City Standards Require Additional Recreation Centers in Mira Mesa

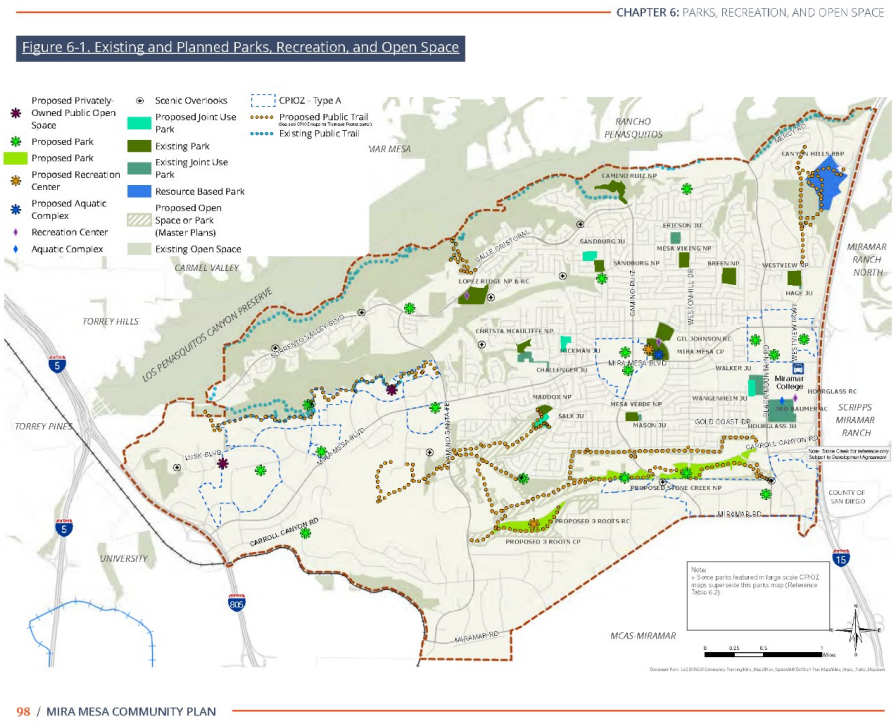
Jeff Stevens

The Mira Mesa Community Plan was adopted by the San Diego City Council in December 2022. The Mira Mesa Community Planning Group made a set of recommendations to correct deficiencies in the Community Plan. Those deficiencies include insufficient public facilities, inconsistencies with City standards, unmitigated impacts and wishful thinking. The complete set of recommendations can be found at this link. This is the eighth in a series of newsletter articles discussing these deficiencies and recommendations for correcting them. The recommendation on recreation centers is:

> The Plan says "To meet the guidelines for a minimum of 17,000 square feet per 25,000 residents, Mira Mesa's potential buildout population results in the need for 97,240 square feet of recreation center building space to meet General Plan standards (1 recreation center per 25,000 residents.) The need is the equivalent of 5.7 recreation centers sized at 17,000 square feet each." Mira Mesa has two recreation centers, one shared with Miramar College and there is one recreation center planned for 3Roots park, so we are far short of 5.7.
>
> Locations and funding should be identified for new recreation centers.

The 1992 Mira Mesa Community Plan called for three recreation centers, one in each Community Park: Mira Mesa Community Park, Hourglass Park and a planned park adjacent to Challenger Middle School. The park by Challenger could not be built due to vernal pools on that site, so the recreation center was relocated to be a future second recreation center adjacent to the existing recreation center at Mira Mesa Community Park. Now, however, Mira Mesa will finally get a third Community Park. It is being built on the south side of Carroll Canyon Road across from the 3Roots development. 3Roots is building the park as a condition of their project and it should be completed in 2026. It has a space on it for a future recreation center and so the Mira Mesa Community Planning Group and the Mira Mesa Recreation Council recommended that the third recreation center be relocated there. However, the recreation center is currently unfunded and even with that we are well short of population-based requirements.

The existing recreation center at Mira Mesa Community Park is only 10,800 sq feet, considerably smaller than new recreation centers being built today. It is being renovated as part of the ongoing Community Park redevelopment project, but at some point it should be expanded or replaced with a larger recreation center, or a second recreation center could be built there as shown on the current GDP. There is also a small (2,500 sq ft) recreation center in Lopez Ridge park. The recreation center at Hourglass Park is 50,000 sq ft, of which 20,000 sq ft is assigned to the community. It is on a site leased from Miramar College so the City needs to maintain the lease in order to continue that use.



Mira Mesa currently has about 75,000 residents, and when Stone Creek is completed in Carroll Canyon, the population is expected to increase to about 95,000. If all of the housing allowed by the 2022 Community Plan is built, the population of Mira Mesa will increase to about 143,000. As noted in the recommendation above, that would require four recreation centers in addition to the two that exist today. Where would they be located and how would they be funded? The 2022 Community Plan lists two future recreation centers with "Location is to be determined, based on available lands and could potentially be located in existing neighborhood park(s), on a park acquisition site, or in a CPIOZ site." A new recreation center costs

Mira Mesa Community Planning Group cont...

about $20 million and with the termination of the community specific FBA programs (See my article in the April, 2024 newsletter), we are now competing against park needs Citywide and it is very difficult to get that much money for a project in our community.

An increase in population will also require at least one additional aquatic center. The recommendation on aquatic centers is:

> The Plan says "An aquatic complex serves a population of 50,000. To meet the aquatic center guidelines, Mira Mesa's potential buildout population results in the need for approximately 2.86 aquatic complexes to meet the General Plan standard." We have one aquatic complex under construction and one shared with Miramar College and Scripps Ranch. Location and funding should be identified for an additional aquatic complex.

With the new aquatic center being built at Mira Mesa Community Park, we will satisfy the requirements for the existing population, and for the population including Stone Creek assuming we have adequate use of the pool at Miramar College (named for former Planning Group member Ned Baumer), but if the population increases to the level allowed in the Community Plan, we will need one more and a location as well as funding will need to be identified.

The full Mira Mesa Community Plan can be found at this link: https://miramesacommunityplanninggroup.org/mira-mesa-community-plan/. All of the planned parks and other public facilities are listed in Appendix A.

Challenger Unplugged April 18, 2025

Challenger Middle School is pleased to announce the return of Challenger Unplugged for its second annual event! This year's showcase promises an engaging evening celebrating the diverse talents of the school's students. Attendees can expect a variety of performances highlighting the creative abilities of Challenger's students as they demonstrate their skills and share their passions with families, friends, and community members. Plus there will be food trucks, delicious treats for sale and a sweepstakes giveaway with great prizes!

Challenger Unplugged plays a vital role in supporting the Challenger Middle School PTO's ongoing initiatives. Funds raised during the event contribute directly to enriching student activities, providing valuable educational opportunities, and supporting teacher appreciation events. The community's participation ensures the continued success of these programs, allowing the PTO to further its mission of enhancing the middle school experience for all students. Challenger Middle School invites everyone to join in a night of talent, food and fun!

Challenger Unplugged: World Tour kicks off on Friday, April 18th from 5-7pm at Challenger Middle school.
