Mira Mesa Town Council

Volume 79, Issue 6 June, 2025

June 2, 2025 MMTC Meeting

At the June 2, 2025 MMTC meeting we will introduce our 2025 Mira Mesa Town Council/Verne Goodwin scholarship winners Logan Fleming, Theo Dela Cruz and Elliot Suarez, shown in the picture above . We will also receive an update on the state of District 6 from City Councilman Kent Lee.

Mira Mesa Town Council Meeting JOIN US IN PERSON: Mira Mesa Library, 8405 New Salem St, 7:00 pm OR VIEW THE MEETING on Facebook: https://www.facebook.com/MiraMesaTownCouncil

Agenda:

- Presentation of the Mira Mesa Town Council / Verne Goodwin Scholarships: Three students graduating from Mira Mesa High School will be presented with the annual scholarship.
- Update from Councilmember Kent Lee: A brief update on the State of our District.

District 6 City Councilman Kent Lee

Mayor's Draft Budget Proposes Cuts

The Mayor's draft budget proposes a number of very unpleasant cuts, including:

- All libraries will be closed on Sundays and Mondays.
- The Library Department's "Do Your Homework at the Library" tutoring program will be reduced from being currently offered at 18 libraries to 10 libraries. The 10 locations where this program will continue to be offered are located in Council Districts 4, 8 and 9.
- All recreation center hours will be trimmed from operating 60 hours per week to 40 hours per week.
- Select restrooms in city parks will be closed on a seasonal basis

CBS news reports that Miramar lake would close 5 days a week and this caused a petition on change.org to be started which has gained 5,908 signatures to oppose this change and keep Miramar lake open 7 days a week, as well as another petition on change.org which has gained 5,461 signatures Continued on P3

Mira Mesa Town Council June, 2025 Meeting
Monday, June 2, 2025 - 7 p.m. - Mira Mesa Library

MMTC meetings are open to all Mira Mesa residents and business owners

The Mira Mesa Town Council is a 501(c)(4) non-profit, community benefit organization, organized dedicated to promoting and providing civic, cultural, social and recreational development and improvement in Mira Mesa. The Mira Mesa Town Council was founded on September 21, 1972, by residents of Mira Mesa to allow community members to advocate for their community.

Regular Meetings are held on the first Monday of every month at 7pm.
All Mira Mesa residents are invited to attend.

Website: www.miramesatowncouncil.org. Email: issues@miramesatowncouncil.org

Mayor's Draft Budget Proposes Cuts (continued from P. 1)

to oppose Lake Murray's closure and keep it open 7 days a week as well. On June 6 the Budget Review Committee will discuss the recommended budget modifications and June 10th will be the final meeting and approval of the San Diego FY2026 budget along with some final modifications. To have your opinions be heard, you may contact BudgetandFinance@sandiego.gov or fill out this survey at https://www.sandiego.gov/citycouncil/cd6/budget as well as see the full budget agenda.

Dear Mira Mesa,

Right now, the federal administration is moving to gut the National Institutes of Health (NIH) — proposing a 40% budget cut, firing 1,200 scientists, and cancelling lifesaving research.

San Diego is the largest NIH-funded region in California. These cuts would put over $1 billion in local research at risk — threatening breakthroughs in cancer, neuroscience, and vaccine development, while endangering jobs, startups, and university labs across our region.

We can't let that happen.

Add your name to urge the County Board of Supervisors to take action and stand up for San Diego's biomedical future: NIH Cuts - Supervisor Terra Lawson-Remer

On May 20, I'll introduce a resolution calling on the full Board to speak with one voice — rejecting these devastating cuts and delivering your signatures directly to Washington. When San Diego stands united, Washington listens.

This is a critical moment — and we still have time to stop this if we act now.

Add your name today, and let's send a clear message:
We will not let science be dismantled.
We will not let San Diego be left behind.

In service,
Terra Lawson-Remer
San Diego County Supervisor

Learn More:

San Diego is a global leader in biomedical research — home to UC San Diego, Scripps, Sanford Burnham Prebys, Salk, and dozens of life sciences companies that depend on NIH funding.

The NIH supports more than $1 billion in research grants in San Diego every year — funding jobs, innovation, and

Parkdale Reconstruction Completed

Gold Coast to follow in a few months.

Parkdale Avenue, which has been falling apart for years, has finally been reconstructed. It is part of a project which also includes Gold Coast Drive, which is in similar condition, that started in late 2022. However the process required to get these roads rebuilt actually started much earlier. We have been following this process on our website and it is instructive to look back at some prior posts.

Our former City Councilman, Chris Cate, spent a significant fraction of his 8 years in office trying to get reconstruction of these roads started. The first step was getting the City to do an analysis of these roads to see what kind of reconstruction was needed. That analysis was completed in November 2018, at which time there was an informational presentation to the public. See this link: https://www.miramesatowncouncil.org/parkdale-and-gold-coast-paving/.

The next step was to get funding for the project. It was too expensive to be paid for out of the general fund, so the City used a bond to pay for it. The City Council voted on November 17, 2020 to approve a bond issue to fund the reconstruction of Gold Coast and Parkdale See this link: https://www.miramesatowncouncil.org/gold-coast-and-parkdale-repaving-on-city-council-agenda-today/ and this link: https://www.miramesatowncouncil.org/gold-coast-and-parkdale-reconstruction-on-agenda-june-24/

The long-awaited reconstruction of Gold Coast and Parkdale finally began in the fall of 2022 and at that time was estimated to be completed by the fall of 2023. See this link which includes an August 2022 presentation from the City of San Diego Engineering & Capital Projects Department to the Mira Mesa Community Planning Group: https://www.miramesatowncouncil.org/gold-coast-parkdale-reconstruction-to-start-fall-2022/.

The project has taken considerably longer than initially planned due to the need to find and relocate underground utilities, many of which were unmapped. The City refers to the project as "Street Reconstruction Group 1801". Current information about the project can be found at: https://www.sandiego.gov/SRG1801.

Mira Mesa Street Fair

The 25th annual Mira Mesa Street Fair will be held on October 4, 2025. Enjoy live music and other entertainment on two stages, a Fun Zone with inflatables and other attractions for kids and teens, and a food court with an international flair from 10am to 5pm, on Camino Ruiz from Mira Mesa Blvd. to New Salem Street.

Mira Mesa Street Fair Vendors: The application for a booth at the 2025 Mira Mesa Street Fair is now online at this link. A $50 late fee will be charged after August 22. Booth assignments for the 2025 Mira Mesa Street Fair will be emailed to all vendors about a week before the event. Note that anyone applying for a booth is considered a "vendor". It does not necessarily imply sales. All vendors must pay for a booth space of the appropriate category.

Mira Mesa Street Fair Performers: The performer application for the 2025 Mira Mesa Street Fair is now online at this link.

Mira Mesa Street Fair Sponsors: We are seeking sponsors for the 25th annual Mira Mesa Street Fair. Sponsorships are used to defray costs of putting on the Street Fair and to support Mira Mesa Town Council activities throughout the year. Sponsors are listed on this web page for a full year after the event and are listed in the program and on our publicity. Here is the sponsorship application information.

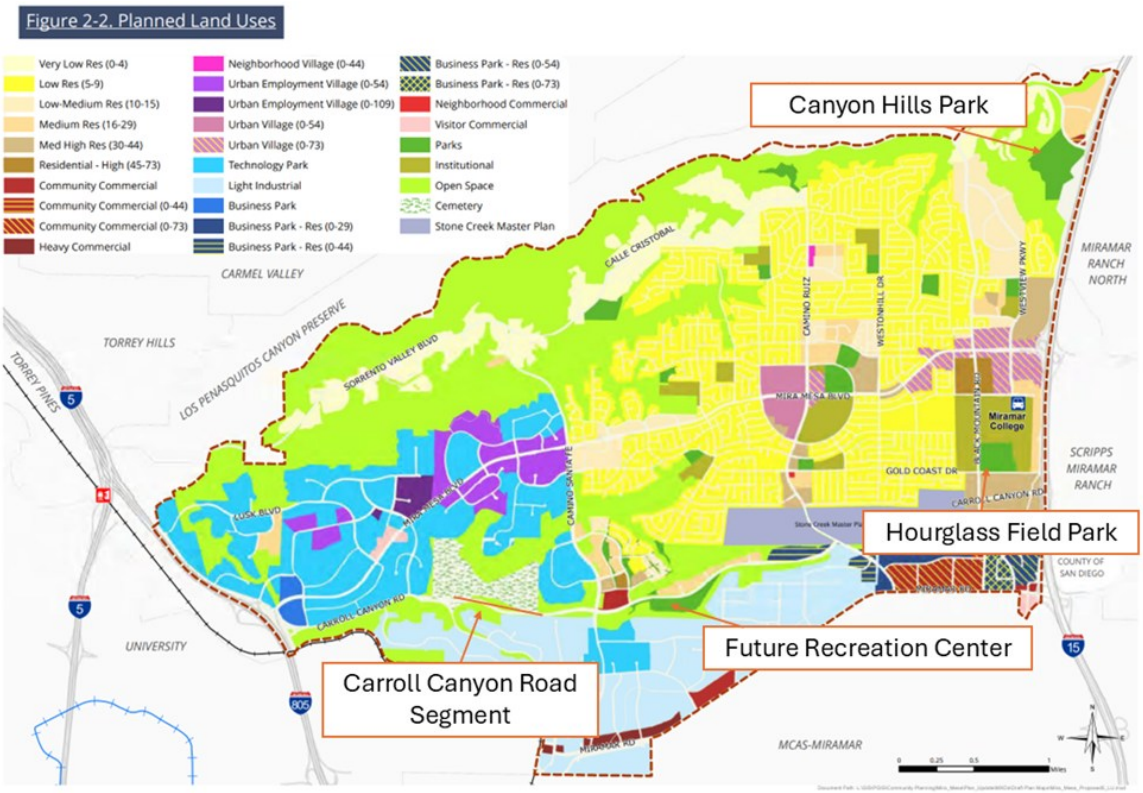
Public Facilities in the 1992 Mira Mesa Community Plan are Incomplete

By Jeff Stevens

The Mira Mesa Community Plan was adopted by the San Diego City Council in December 2022. The Mira Mesa Community Planning Group made a set of recommendations to correct deficiencies in the Community Plan. Those deficiencies include insufficient public facilities, inconsistencies with City standards, unmitigated impacts and wishful thinking. The complete set of recommendations can be found at this link. This is the ninth in a series of newsletter articles discussing these deficiencies and recommendations for correcting them. The recommendation on incomplete public facilities is:

> There are several important public facilities in the adopted community plan that have not been completed and are at risk with the termination of the FBA program as well as increased costs from long delays in construction.
>
> These projects need to be prioritized and completed.
>
> The most important are:
>
> a. Aquatic Center and other improvements at Mira Mesa Community Park.
>
> b. Recreation Center at the future Bruce Brown Community Park.
>
> c. Carroll Canyon Road between Camino Santa Fe and Carroll Road.
>
> d. Canyon Hills Park.
>
> e. Renovation of recreation center and pool at Hourglass Park.

All these projects were listed in the Mira Mesa Public Facilities Financing Plan and planned for funding by the Mira Mesa Facilities Benefit Assessment (FBA). There was enough money in the FBA before it was terminated to build the aquatic center (a) and it is now under construction. However, funding for all the other projects is now uncertain.



Incomplete public facilities discussed in the text.

Continued on P. 7...

Mira Mesa Community Planning Group (continued from P. 6 …)

In the 1992 Community Plan the recreation center (b) was planned for a new Community Park adjacent to Challenger. When the Community Park could not be built due to vernal pools on the site, it was relocated to be a second recreation center at Mira Mesa Community Park. When the new Community Park to be built by the 3Roots project became available, the Planning Group and Recreation Council recommended that it be relocated to the new park.

Carroll Canyon Road is planned to extend from I-805 to I-15, with most of it built by the adjacent developments. However, there is a segment (c) adjacent to El Camino Memorial Park (cemetery) that must be built by the City. The City did a feasibility study for building this road segment in 2022 and found that even though it is less than a mile long, it will cost an estimated $54 million to build. That will almost certainly require state or federal support for construction.

Canyon Hills Park is located on the hilltop (with three water towers) just southwest of the intersection of Mercy Road and I-15. It is undeveloped but accessible by walking up a steep dirt road from a small parking lot at Mercy Road and Alemania Road. It has gorgeous views looking over Mira Mesa and all the way out to the ocean. This site was purchased for a park in 1989 and a General Development Plan (GDP) was developed more recently, however there is no money available for construction.

The fields, pool and recreation center at Hourglass Field Park were built by the City with FBA funds on land leased for 99 years from Miramar College. Renovation of recreation center and pool at Hourglass Park (e) is required at 55 years (9/25/2044) to continue with the lease for another 44 years. There was money in the FBA to pay for part of this that is now gone. This must not be overlooked, or Mira Mesa could lose one of its most important recreation sites.

The full Mira Mesa Community Plan can be found at this link: https://miramesacommunityplanninggroup.org/mira-mesa-community-plan/. All of the planned parks and other public facilities are listed in Appendix A.

The Mira Mesa Community Planning Group (MMCPG) meets the third Monday of each month, except in January and February. Since those two Mondays are holidays, meetings are instead held the Thursday following the third Monday. For information about upcoming meetings and general information about the Planning Group, see the Planning Group website: https://miramesacommunityplanninggroup.org.

Next Meeting: The next MMCPG meeting will be on Monday, June 16, 2025 in the meeting room of the Mira Mesa Branch Library .

County Supervisor (continued from P.3 …)

medical breakthroughs that improve lives around the world. The proposed cuts would: Slash the NIH's budget by 40%, Lay off more than 1,200 scientists, Freeze peer-reviewed research grants, Stall research in cancer, aging, mental health, Stall research in cancer, aging, mental health, rare disease, and pandemic response. What this means for San Diego: Lost jobs across our biotech and research economy, Reduced support for graduate and postdoctoral researchers, Weakened ability to attract future investment and talent.

Mira Mesa Independence Day Celebration 2025

We are planning the 2025 Mira Mesa Independence Day Celebration. There will be fireworks set off from the fields by Wangenheim Middle School at 9:00 PM on July 3rd, 2025. There will be a community picnic from 4 PM to 9:30 PM at Hourglass Field Community Park leading up to the fireworks. There will be food trucks including Birria tacos, Pulled pork sliders, Lumpia, Boba tea, coffee, smoothies and flavored shaved ice. There will be a car show in the parking lot on the north side of the field starting at 4:00 PM.

If you would like to join our planning committee for the 2025 (and future) events, please send your contact information to fourthofjuly@miramesatowncouncil.org.

World Bicycle Day

By Kaanchan S Farkiya

World Bicycle Day is celebrated annually on June 3rd. This international day recognizes the importance of cycling as a sustainable, healthy, and environmentally friendly mode of transportation. The United Nations General Assembly declared June 3rd as World Bicycle Day in April 2018, through Resolution A/RES/72/272. The day aims to promote cycling as a means of fostering sustainable development, strengthening education, promoting health, and facilitating social inclusion and a culture of peace.

There are so many benefits of cycling. It promotes physical activity, reducing the risk of chronic diseases and improving mental health. It's an eco-friendly mode of transportation, producing no emissions or pollution. Cycling can also reduce traffic congestion and promote sustainable consumption.

Celebrations and activities of this day is interesting too. People around the world participate in bike rides, rallies, and workshops to promote cycling. Governments and organizations use this opportunity to promote cycling infrastructure and advocate for road safety. The bicycle is seen as a symbol of human progress, promoting tolerance, mutual understanding, and respect. World Bicycle Day conveys a positive message, encouraging sustainable consumption and production. So all in all any age group of people can try your choice of bicycles and enjoy your day.

The Mira Mesa Community Recreation Group

The Mira Mesa Community Recreation Group (known as the Mira Mesa Recreation Council in past years) meets on the second Tuesday of each month at 7 PM at the Lopez Ridge Park recreation center. All residents and anyone interested in Mira Mesa parks and recreation are welcome and encouraged to attend. See https://miramesarecreationcouncil.org for more information. If you wish to be added to the email list to receive agendas and minutes, contact Erin Holbech, director of the Lopez Ridge Recreation Center at EHolbech@sandiego.gov.
