Mira Mesa Town Council

At the June 1, 2026 MMTC meeting we will introduce our 2026 Mira Mesa Town Council/Verne Goodwin scholarship winners Addison Sadsarin, Larizza Riel, and Julian Tang shown in the picture above. We will also receive an update on the state of District 6 from City Councilman Kent Lee.

Mira Mesa Town Council Meeting
JOIN US IN PERSON:
Mira Mesa Library, 8405 New Salem St, 7:00 pm
OR VIEW THE MEETING on Facebook:
https://www.facebook.com/MiraMesaTownCouncil

Agenda:

- Presentation of the Mira Mesa Town Council / Verne Goodwin Scholarships: Three students graduating from Mira Mesa High School will be presented with the annual scholarship.
- Update from Councilmember Kent Lee: A brief update on the State of our District.

The Mira Mesa Town Council is a 501(c)(4) non-profit, community benefit organization, dedicated to promoting and providing civic, cultural, social and recreational development and improvement in Mira Mesa. The Mira Mesa Town Council was founded on September 21, 1972, by residents of Mira Mesa to allow community members to advocate for their community.

Regular Meetings are held on the first Monday of every month at 7pm.

All Mira Mesa residents are invited to attend.

Website: www.miramesatowncouncil.org. Email: issues@miramesatowncouncil.org

MIRA MESA TOWN COUNCIL

San Diego City Council: Kent Lee

Hello Mira Mesa Neighbors,

As we move into the final week of the FY27 Budget process, I remain focused on fighting to ensure we deliver a budget that matches the needs of District 6. Especially following the Mayor's "May Revise," where significant gaps remain for our community's library and rec center hours, as well as funding to support key community arts and cultural festivals, programs, and events.

Our responsibility is not just to pass a fiscally balanced budget on June 9th, but to ensure that we achieve the actual balance of services that continue to meet our community's needs.

Thank you especially to everyone who took time out of their busy schedules to attend our Mira Mesa Budget Town Hall — your participation makes a difference, and your voices are being heard at City Hall. Please continue to share your feedback as we work to finalize this budget!

For up-to-date budget materials and additional information about the final meetings, please visit www.sandiego.gov/cd6-budget.

In more exciting community news, our most recent No-Cost Dumpster Day event, in partnership with EDCO and Mira Mesa High School, was a huge success! Thank you to all the volunteers for your hard work and dedication to the community. This program has helped remove over 430 tons of trash across District 6, keeping our neighborhoods clean.

Lastly, the community reached an exciting milestone in May with the official groundbreaking of Bruce Brown Memorial Community Park, located on the south side of Carroll Canyon Road within the 3Roots development. The park honors the legacy of Bruce Brown, a longtime community planning leader whose dedication to Mira Mesa helped lay the foundation for the parks and recreational spaces residents enjoy today. The project is the result of years of collaboration between community leaders, City staff, and the 3Roots development team and reflects what a strong public-private partnership can achieve. When complete, the park will serve residents for generations to come.

As always, if you have any concerns, don't hesitate to contact our office. Please reach out to our Mira Mesa Community Representative, Isabella Kalivas, at IKalivas@sandiego.gov.

Warm regards,
Council President Pro Tem Kent Lee

San Diego County Board of Supervisors: Terra Lawson-Remer

Dear Mira Mesa,

Summer is fast approaching — which is great news for kids, and a disaster for every family's daily schedule .

With my newborn here, my typical routine is already blown up. And as a mom of (now two!) young kids, I'm thinking about how to keep my school-aged daughter busy this summer — because these early development years are so important for children.

That's why I've been focused on protecting First 5 San Diego's Healthy Development Services program, which over nearly two decades has helped more than 352,000 San Diego children and families. It fills a gap too many families know well: your child needs help, but the delay may not be severe enough to qualify for school-based services or other programs. So families are told to wait.

But when you're talking about a child's brain development, *waiting is not neutral.* Waiting can mean falling further behind.

And this year, that support was at risk.

Here's the strange part: fewer people smoking is good news — it means public health efforts are working. **But because First 5 is funded by tobacco tax revenue, it also means less money for the children's programs that those taxes support.** Without action, **the program faced a nearly 40% cut, and more than 3,300 children and families** could have lost access to care next year alone.

Last week — just hours after I gave birth to my second daughter — the Board of Supervisors approved my proposal to protect critical early childhood services for more than 3,300 San Diego children and families. While I wasn't able to attend the meeting myself, I'm proud that my colleagues moved this plan forward for local kids and families.

Thanks to this vote, local kids won't lose access to services like:

- developmental screenings
- occupational therapy
- speech therapy
- behavioral support
- family services for kids ages 0 to 5

Passes the Test for Kids… and Taxpayers

Research consistently shows that early intervention improves outcomes for children.

It also saves money down the road, because getting kids help early is far less costly than waiting until small challenges become lifelong barriers.

But for a parent, it's much simpler than that.

When you know something is off, you shouldn't have to wait until kindergarten for help. You should be able to get support early — when it can change the whole trajectory of a child's life.

Every child in our community deserves the chance to thrive. This vote helps make sure thousands of San Diego families continue getting the support they need during the years that matter most.

In Service, Terra

Salk/Maddox Park Nearing Completion

New shade structures have been installed at the Maddox Park play area.

The expanded Maddox dog park has separate areas for large and small dogs.

Grass is growing in the new Salk Park.

Although 18 months late, the new Salk Park and upgraded Maddox Park are finally nearing completion. The expanded Maddox dog park, with separate areas for large and small dogs, appears to be finished, new shade structures have been placed over the Maddox play area, and new sod has been installed at Salk Park so the new field now has grass. For more information and pictures, see https://miramesarecreationcouncil.org/salk-maddox-park-nearing-completion/

Mira Mesa Community Recreation Group

The Mira Mesa Community Recreation Group (known as the Mira Mesa Recreation Council in past years) meets on the second Tuesday of each month at 7 PM at the Lopez Ridge Park recreation center. All residents and anyone interested in Mira Mesa parks and recreation are welcome and encouraged to attend. See https://miramesarecreationcouncil.org for more information. If you wish to be added to the email list to receive agendas and minutes, contact Area Manager Claudia Apodaca capodaca@sandiego.gov.

High Density Housing Planned for Mira Mesa

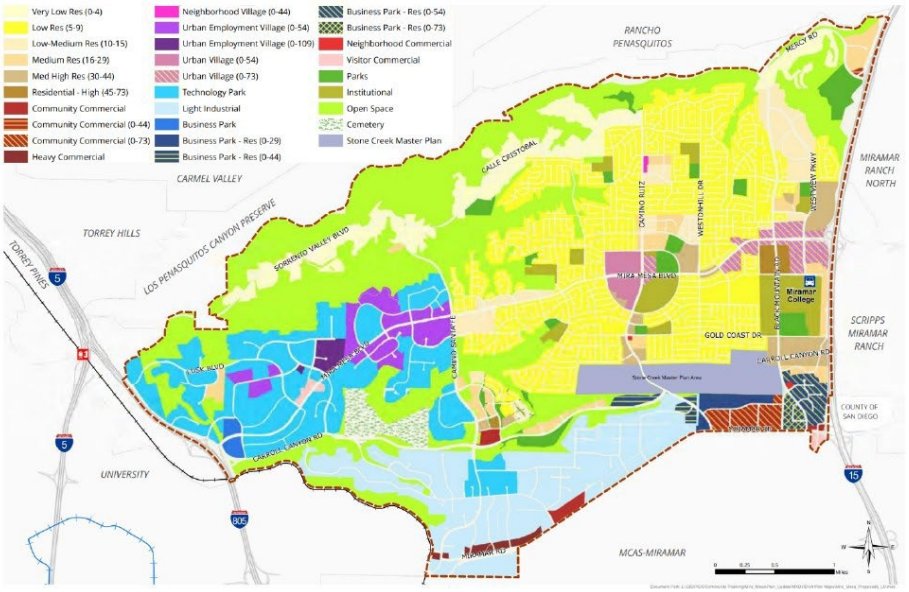
By Jeff Stevens, Chair Mira Mesa Community Planning Group

The 2022 update to the Mira Mesa Community Plan adds high-density housing to all commercial areas and to some industrial areas:

Mixed-use Housing/Industrial

The 1992 Mira Mesa Community Plan preserved all the land west of Camino Santa Fe and south of Lopez Canyon as prime industrial. The intent was to preserve land for industrial uses, and it prohibited residential housing. The 2022 update changes that, allowing mixed-use residential/industrial in all of the areas shown in purple on the land use map at densities as high as 109 units per acre. This is the City's concept, and it is up to the property owners to decide whether they want to build residential housing. To date, no developer has proposed housing in the industrial areas, and the area with the highest proposed residential density at Pacific Heights and Mira Mesa Blvd has already been developed as a purely industrial project. However, the market for industrial, particularly biotechnology, which until recently was booming, has cooled, which increases the likelihood that residential will be built in the future.

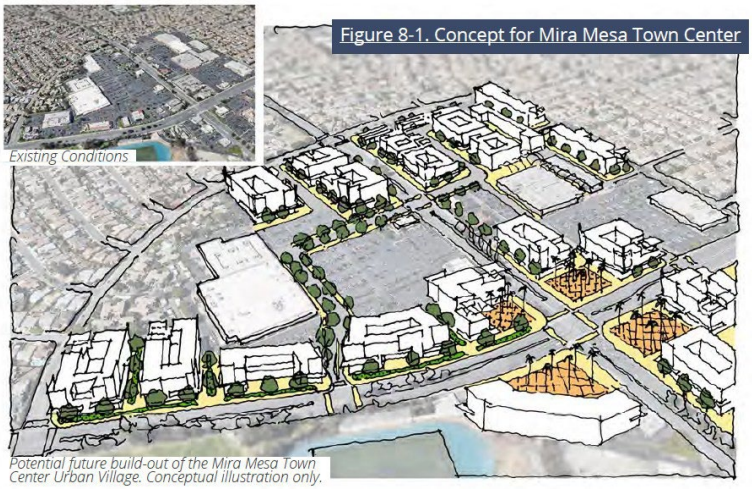
Figure 2-2. Planned Land Uses



Mixed-Use Housing/Commercial

The 2022 update also allows mixed-use housing/commercial in all commercial shopping areas at densities of up to 73 units per acre. For comparison, the Casa Mira View development on Westview Parkway has 42 units per acre. The concept is to build housing on top of or adjacent to shopping areas. The Community Plan includes some conceptual drawings of what that might look like. The figure at the right shows a concept for "Mira Mesa Town Center." To date, no developer has submitted plans to redevelop any of the shopping areas; however, there have been discussions and some proposed designs for redeveloping Mira Mesa Market Center east of Westview Parkway, the back parking lot of the Village at Mira Mesa, and areas along Miramar Road near Camino Ruiz.

Figure 8-1. Concept for Mira Mesa Town Center



Prohibited Residential Areas

One area where residential is still prohibited is most of the Miramar Industrial Area west of Camino Ruiz due to the Airport Land Use Compatibility Plan (ALUCP) with MCAS Miramar.

Mira Mesa Branch Library Calendar for June 2026

The library has a new website for events: https://sandiego.events.mylibrary.digital/. This site will generate a list of events of interest in a somewhat bewildering variety of ways, including custom brochures.

The simplest way to use it for Mira Mesa events is to scroll down to “Events by Location” and select Mira Mesa Library. This gives a list of upcoming events at the Mira Mesa Library. To see the events in calendar format, go back to the top and select “Display: Calendar”. This gives a display like that shown below. You can click on any box for more information.
