

Help us make a difference for local children this holiday season!

Walker Elementary School in Mira Mesa has over 100 families who are **homeless or living in severe poverty.**

Every year, the LoveActs volunteers at Christ Community Church partner with members of the community and local businesses to supply over 700 gifts to over 100 of these children!

This year, the need in our community is even greater.

It's easy to donate to this program!

Donate through our secure website (<https://www.gotochrist.com/give/vanco>) – be sure to choose “LoveActs Ministries Fund”

Donate gift cards to WalMart, Target, and Amazon to help meet the children’s gift requests.
